**Old Business:**

**To be voted upon:**

Joan proposed the following at the previous meeting

1. No new lifetime memberships as of 2025. Yearly renewal will be necessary. Current lifetime members to be honored. Membership fee to be raised to \$55 per year and if paid after March 31, there will be a \$10 late fee added. It was decided to table this until we have a chance to get more information from Bev regarding the patterns of annual renewals vs lifetime memberships over the past 5 years.
2. Performance Awards/Radautzer Award to have a \$30 yearly fee to participate in each category the awards programs. The \$30 fee applies only for **participating years**. Adele moves and Hope seconds, passed unanimously.
3. Promote sponsorships for awards programs with flyers and emails.
1. Use free telephone conference calling for NASS Board Meetings. Elaine moves to switch from Loop Up to free conferencing, Adele seconds, passed unanimously

**To be voted upon:**

Adele moved and Hope seconded the following motion for helping with newsletter expenses at the previous meeting: We will allow 4 pages of ads at \$150, and half pages for \$90 for a 12-page newsletter, which would essentially pay for the newsletter. The idea would be to essentially pay for the newsletter with those ads and if we want more pages than 12, we would consider adding enough ad pages to pay for the additional pages (which would be in increments of four pages). Elaine moved, Hope seconds, passed unanimously.

**Closing Remarks and Questions:** none

**Next Meeting:** January 29, 2025, 5:00 PM, PST, 8:00 PM, EST

**Adjournment:** Adele moves to adjourn at 5:32 pm

Kathy Richkind and I conducted a NASS Inspection in Danby VT on Sept 21st.

In the morning we inspected the following horses at a nearby boarding stable:

In the afternoon we inspected horses at Hallie Goetz's farm

The Purebred Shagya-Arabian and Appendix (PShA) mares:

Okalani SHG, NASS P-ShA-11-263, 13 year old, 7.875  
\*Siglavy Bagdady Silhouette SHG, NASS/ShA-16-332, 8 year old, 7.0

Halo SHG, NASS/ShA-21-328, 3 year old Purebred Shagya-Arabian gelding, 7.0

All of the owners have been sent copies of their inspection sheets and the NASS Inspection Issue will be coming out this fall with all of the details.

At this moment NASS has no other inspections planned since we have not received any recent requests. There is a group in Texas that had indicated that they were desirous of having a Texas inspection but it was not feasible during the pandemic, and the NASS Breeding Committee informed them that when they have another date in mind to please inform the committee and the committee will respond.
