Roads

Diedrich reported that he instructed RBS to stop blading until we get some rain because the gravel roads are too dry and dusty.

Gravel. Two loads of gravel were put on Garfield Lane.

Oakwood Terrace Turnaround update. The Koewler's would like the township to put a Dead End sign up close to the County Road 34 entrance to Oakwood Terrace and a sign saying Private Driveway-No Turnaround past this point put at the edge of the easement by their driveway. The signs would help alleviate the amount of traffic using the turnaround easement and their private driveway. Diedrich has an extra Dead End sign that he will have RBS install and Steidl will speak with Steve Johansson from Douglas County Public works about having the Private Driveway sign made.

Weeds. Way reported Wild Parsnip is growing in some of the ditches on Pleasant Grove. Steidl noted that there is Wild Parsnip along Sunset Strip, too. Diedrich will contact Biobuilders to spray the township ditches for noxious weeds.

Drake Herd, Kevin Weber. Mr. Herd and Mr. Weber expressed their concerns about a recent County meeting regarding the Pilgrim Point Shores Development Project. They did not feel their interests were represented by Diedrich at the meeting. Diedrich said he attended the meeting to obtain information on the Environmental Worksheet that the County is doing on the project and tries to do what is in the best interest of the entire township.
