Roads

Diedrich reported that he instructed RBS to stop blading until further notice and to begin the second mowing especially where there are a lot of thistles and Wild Parsnip and to use the skid loader and mower where they can't reach with the regular tractor and mower. The Board plans on spraying the Wild Parsnip early next spring when it is more likely to kill the weeds.

Oakwood Terrace Turnaround update. Steidl received the Private Driveway sign from Douglas County. Diedrich will the RBS put the sign up. The Dead End sign has already been given to RBS to install. That will complete the requests by the Koewler's for the turnaround easement.

Stabnow hasn't done an estimate of the costs. Way seconded the motion. Motion carried. Diedrich-aye, Way-aye, Steidl-aye.

Old Business

Developers' Agreement. After meeting with Dave Rush, Douglas County Land & Resource Management, Diedrich recommended and the Board agreed that the Township combine our Developers' Agreement with Douglas County's Developers' Agreement for the Pilgrim Point Shores Development. That way, the County would be responsible for the taking care of the financial and legal requirements and the township will be included. If this works well for the Pilgrim Point Shores Development, the Board will decide if we will do away with our current Township Developers' Agreement and continue to combine with the County for future developments.
