If I fail to provide current phone numbers/addresses/emails, I may lose eligibility if the program staff cannot contact me to request eligibility information.
- I am required to notify program staff within 10 calendar days if my family's total income rises above 85% of the Maine State Median Income. I may also choose to notify program staff if there is any change in my family's income or family size that could potentially benefit me in the form of a lower co-payment. - I am responsible for choosing a state licensed or ITCC approved child care provider who accepts CCDF/CCDBG funds. I have signed the Child Care Release of information form. After selecting a child care provider, it is my responsibility to submit to the provider the necessary forms and to confirm that the ITCC staff has received the forms from the provider. I understand that it may take up to two weeks for my services to be authorized after the ITCC staff receives all required forms. I am responsible for all child care fees prior to authorization.
- I must notify the ITCC staff if I wish to change child care providers. Payment will not be made for child care services if the provider is not state licensed or ITCC approved child care and has not been authorized by the CCDF program and if a provider agreement is not signed by both parent and provider. I am responsible for paying any child care provider balance in full before receiving authorization for services at another child care provider. I understand that after selecting a new provider, it may take 2-4 weeks for my services to be authorized after the ITCC staff receives all required forms. Once approved, I will receive a new approval letter stating the approval date and new provider name.
- I am responsible for paying a co-payment to the provider which is based upon my income and household size. I am also responsible for any remaining balance that the ITCC does not cover, including, but not limited to, recreation fees, late fees.
