New POP-UP Inter-active ZOOM Groups: We plan to have 2 groups this month called “My 5 Senses” and “Mindful Me” with Miss Nicole. These groups are a great opportunity for families to have interactive fun in a small group with other families. They are very popular and fill up quickly!

Learn and Grow (Toddlers) and The Learning Tree (Ages 3-5) virtual programs: are provided by our Early Literacy Specialist, Nicole Caccavo. Learn and Grow is on Mondays at 10:00 AM. The Learning Tree is Tuesday through Friday at 10:00 A.M. Both early literacy programs offer families stories, music, and educational activities that support language, literacy, cognitive, and social emotional development. ASQ information, parent resources, and support is also shared with families.

New Live Format: Miss Nicole will be offering her Learning Tree program LIVE on Tuesdays and Thursdays at 10:00 AM. This offers families the opportunity to interact and connect with Miss Nicole during the program!

New Videos: Ms. Sydney Rousseau, a nutritionist-health coach, will have 2 videos in March and 2 in April! These super fun interactive videos will focus on nutrition topics geared toward families and children ages 3-5. Her March 11th video will focus on learning about healthy fast food options! Look for new videos covering other important health topics too!

***Grandparents Raising Grandchildren Support Group New Time:** This group meets on the last Friday of each month **8:00-9:00 PM.** through ZOOM with our GRG facilitator Roseanne. **Group will meet on March 26 and April 30th 2021.** If you are interested in joining, please contact: ntilbe@triumphinc.org for zoom link, details, schedule, or questions.

Thank you to all our community partners for sharing our programs. We appreciate your support very much!

The **ASQ-3** is a screening tool used to make a quick check on your child's skills and development and to see milestones that have been achieved. It can also show any areas your child may need support!

Our CFCE team can help:

- Provide a paper copy for you to do at home and return completed screening to CFCE staff.
- Provide an online link for you to complete the screening at home.

Parent-Child Plus Program (PC+)

Our PC+ home visitors, Heather and Kelly are excited to be adding a few new families to the program! Families need this service more than ever and will benefit greatly from their home visitors' dedication!

Families will receive high quality books, toys, and support while maintaining safety protocols. In addition to toys and books, families learn how to connect to community services. If you know of any families with children ages 16 months and up to 5 (prior to entering Kindergarten) who would benefit from this program, please contact:
