FAQ:

Can full day families choose fully remote learning? *There may be opportunities for full day children to be fully remote. We are checking into this and will inform families*

What if a family doesn't have internet or technology (chromebook)? *We are working with the Public Schools, community partners and grants to see if we can purchase additional items for our families*

Will EEC continue to pay for the parent fees for our vouchers? *We are checking with the State to get clarification about parent fees*

Will there be a parent child orientation day? *Yes, we are working on having a day for newly enrolled children and children who haven't been in school since March to visit their centers. This will be a day to have child health screenings completed, gather information on parent opportunities and important agency policies*
