Notice the clasping hands of Nebo. If you are wondering where the Masons get the multitude of their secret handshakes, it is from the Assyrians, which in turn received them from Nimrod's Babylonian Mysteries. This unusual clasping of the hands and its communication, are known to the initiates of the Chaldean mysteries, as well as the Masons of today. Mt. Nebo, the location where Moses was buried, was an ancient site of worship for heathen peoples because of its prominent view of the Promised Land. Note the description of Nebo as the god of wisdom and inventor of writing. Jesus Christ is the author of all wisdom, while the inventor of writing was most likely Adam, in Genesis 2:19, 20, that indicated he named, and most likely chronicled, the name of the creatures God brought to him.

Merodach-baladan, son of Baladan king of Babylon, succeeded his father before Nebuchadnezzar had become king. Merodach is mentioned during the reigns of Hezekiah and Jehoiachin (Isa. 39:1; II Kings 25:27), kings of Judah

The Jewish flag of atheistic Zionism,<sup>1</sup> with its man-centered, 6-sided star of Remphan<sup>2</sup> as the centerpiece, reveals the corrupt nature of the political leadership within Israel. This is a far cry from the 7-canded menorah found in the Jewish temple symbolizing the light, presence, and completeness of Jehovah.

1. This is the Zionism of Jewish Kabbalism that came from disobedient Jews that remained in Babylon vs. those that returned to Jerusalem after their 70-year captivity through Cyrus' decree.
2. Acts 7:43—Yea, ye took up the tabernacle of Moloch, and the star of your god Remphan, figures which ye made to worship them: and I will carry you away beyond Babylon. Stephen's citation of Jewish history & rebuke of the Jewish religious leadership.

## ZECHARIAH 5—The Origin of Jewish Kabbalism

By Paul J. Wickliffe, author, historian,

What I am about to share in no way should suggest that I am opposed to God's plan for national Israel. Because I know that those whom God blesses, I should bless. What I am opposed to is evil, regardless of who is committing it.

With that said, let us examine a phenomenon that all Christians and the Bible address, and what our attitude should be against those that oppose Jesus Christ, his word, and his redemptive plan for mankind.

Jewish Kabbalism is rooted in the Babylonian Mysteries and occurred while Judah was in captivity in Babylon during their 70-year exile. Attracting atheistic Jews drawn to the occult framework of the Chaldean mysteries, Jewish Kabbalism is defined as such because of its Jewish origin. These occult mysteries can be traced back to Nimrod, while covering a multitude of human endeavors, from religion, to government, to 'science.'

A sampling of the Babylonian practices are:<sup>1</sup>

1. [Alchemy and 'medicine'](#)
2. The occult medium of exchange called currency with its money changers, banks, debt, and credit

3. The social memory complex of collectivism with its reduction of the individual to a cog
4. The shifting of guilt to others through psychology, psychiatry, and sociology (Known by evolutionists as natural selection OR environmental determinism)
5. Gematria or the occult study of numbers, veiled symbology, and Aesopian Language
6. An alternative redemptive paradigm of works instead of Christianity's grace, faith, mercy, and the crucifixion of the sin nature and personal transformation from condemnation to justification

### CONTEXT OF ZECHARIAH:

The context of this holographic vision (his eyes were opened and he saw) revealed to the Jewish prophet Zechariah, the son of Berechiah, the son of Iddo, by an angel (Zech. 4:1), was given to him when the Southern Kingdom was in exile in Babylon,<sup>2</sup> "during these threescore and ten years" (Zech. 1:12).

This was during the reign of Darius of the seed of the Medes, son of Ahasuerus<sup>3</sup> (Dan, 9:1) who reigned over 120 provinces (Esther 1:1; Dan. 6:1).

With that said, let me post Zechariah 5 with underlined words and phrases, then follow it up with my comments.

<sup>1</sup> I use the present NOT past tense. Rome is still the inheritor of these evil practices.

<sup>2</sup> Specifically, Shushan was 225 miles west of Babylon.

<sup>3</sup> Profane history records that Darius' mother was Aryenis, p. 98 James Ussher's "Annals of the World," Copyright © 2003, Master Books, P.O. Box 726, Green Forrest, AR 72638

THEN I turned, and lifted up mine eyes, and looked, and behold a flying roll.

2 And he said unto me, What seest thou? And I answered, I see a flying roll; the length thereof is twenty cubits, and the breadth thereof ten cubits.

3 Then said he unto me, This is the curse that goeth forth over the face of the whole earth: for every one that stealeth shall be cut off as on this side according to it; and every one that sweareth shall be cut off as on that side according to it.

4 I will bring it forth, saith the LORD of hosts, and it shall enter into the house of the thief, and into the house of him that sweareth falsely by my name: and it shall remain in the midst of his house, and shall consume it with the timber thereof and the stones thereof.

5 ¶ Then the angel that talked with me went forth, and said unto me, Lift up now thine eyes, and see what is this that goeth forth.

6 And I said, What is it? And he said, This is an ephah that goeth forth. He said moreover, This is their resemblance through all the earth.

7 And, behold, there was lifted up a talent of lead: and this is a woman that sitteth in the midst of the ephah.

8 And he said, This is wickedness. And he cast it into the midst of the ephah; and he cast the weight of lead upon the mouth thereof.

9 Then lifted I up mine eyes, and looked, and, behold, there came out two women, and the wind was in their wings; for they had wings like the wings of a stork: and they

lifted up the ephah between the earth and the heaven.

10 Then said I to the angel that talked with me, Whither do these bear the ephah?

11 And he said unto me, To build it an house in the land of Shinar: and it shall be established, and set there upon her own base.

THEN I turned, and lifted up mine eyes, and looked, and behold a flying roll.

2 And he said unto me, What seest thou? And I answered, I see a flying roll; the length thereof is twenty cubits, and the breadth thereof ten cubits.

The measurement of the FLYING roll<sup>4</sup> was 20x10 cubits.

A cubit is 18 inches. 20x18 inches=360" 10x18 inches=180"

Should you convert inches to miles<sup>5</sup> by AIR TRAVEL (Remember, a FLYING roll) from Jerusalem to Babylon (the plain of Shinar) you calculate 360+180=540/420 avg. speed of commercial airliner =1.2857 hours by air or rounding things off 1.5 hrs. flight time by air.

3 Then said he unto me, This is the curse that goeth forth over the face of the whole earth: for every one that stealeth shall be cut off as on this side according to it; and every one that sweareth shall be cut off as on that side according to it.

4 I will bring it forth, saith the LORD of hosts, and it shall enter into the house of the thief, and into the house of him that

<sup>4</sup> The word used is roll NOT scroll. In the KJV the word roll is used 28 times. Scroll is used twice. It appears a roll is a page within a book and describes how the pages within a book, and the book itself, are stored—in rolled fashion. Scroll is

a document(s)—treaty, kingly decree, presidential Exec. Order or law.

<sup>5</sup> A routine practice among ancient cartographers (map makers).

sweareth falsely by my name: and it shall remain in the midst of his house, and shall consume it with the timber thereof and the stones thereof.

This was the curse God decreed to those Jews of physical ability that could have returned to Jerusalem but refused because of their rebellion towards God (atheistic Jews from the Southern Kingdom—Judah—Aholibah-Ezek. 24). While Israel was taken into exile by Assyria,<sup>6</sup> the rebels in Judah residing in Babylon established the hybrid religion that came to be known as Jewish Kabbalism or Cabbalism, from which we get the word cabal.

A cabal is a secret, **RELIGIOUS** organization whose ultimate objective is a global, ecclesiastical, collective. While this one-world religion is rooted in the Babylonian mysteries, it is nonetheless a hybrid RELIGION that emphasizes:<sup>7</sup>

1. **COLLECTIVISM**—The foundation of its operation and function are built upon the collectivist mindset, while unredeemed men and Satan

---

<sup>6</sup> The Jews in exile in Assyria (Israel—Aholah-Ezek. 24), became inheritors of a counterfeit Torah known as the Samaritan Pentateuch. Many of the Assyrian exilic Jews settled in Samaria. The Samaritans were also instrumental in hindering the construction of the second temple during Ezra's, Nehemiah's, and Zerubbabel's return to Judah. This animosity of the Jews toward the Samaritans is evident in the New Testament (John 4). This is why the apostolic leadership in Jerusalem sent Peter and John down to Samaria after the preaching of Philip. They wanted to make sure the Samaritans understood Philip's gospel message (Acts 8).

<sup>7</sup> The following information has been gleaned by the author over the past 49 years of studying the

are the drivers of this nefarious system. Uniqueness, dignity, creativity, and inventiveness are absent in a system where the individual is a number that exists only for the benefit of the group (collective)

2. **UNI-SEX**—A system of complete control of the individual, where distinctions between men and women are not tolerated. Perversion, in all its forms, dominates its leadership—from pedophilia to LGBTQ+
3. **ROUTINE SORCERY REINFORCED**—This is accomplished by the established antichrist church as they cast the truth down and elevate a lie.<sup>8</sup> It is reinforced by intimidation, guilt, blackmail through the confessional and 'honeypot' activity trapping the unsuspecting through their sexual urges and proclivities
4. **EXPLOITATION OF WOMEN & CHILDREN**—The news of

Deep State, the Bible, and religion, as well as the crimes against humanity that surfaced from 2020-2024.

<sup>8</sup> Grace exchanged for works; Holy Spirit teaching for ungodly formal training & education; scriptural authority for pastoral authority; biblical doctrines for the doctrines & commandments of men; sanctification by the Holy Spirit for 'Christian' psychology; inerrancy & inspiration for Higher Criticism & the counterfeit 'bible' movement marketed by liberal Bible societies; the elect as a cultural influence for good, with a willingness to serve, if led, in civil affairs versus ignorance, indifference or wrong priorities for many in our country.

extensive human trafficking<sup>9</sup> networks has shocked those with a conscience, while those involved and those directly profiting from this trade in human life have eluded justice . . . until NOW

5. **ORGAN HARVESTING**—Another form of homicide, this profiteering from human torture, suffering, & death, contributes to Kabbalism's eugenic de-population agenda
6. **DEBAUCHING OF CURRENCY**—Currency (paper Federal Reserve Notes) a term coined by Catholic Jesuits instead of the biblical medium of exchange known as money (gold and silver coin), has been the primary fuel and lifeline for the existence and perpetuation of this nefarious system of KABBALISTIC COLLECTIVISM. Unbacked paper currency has been the bane of man throughout history<sup>10</sup>
7. **TEMPLE PROSTITUTION**—The phallic symbol of the obelisk to the disciple of Kabbalism represents life through sex, a direct attack on God's covenant of marriage between one man and one woman. Its pyramid shape at its apex represents global power in all directions. Its tapered shape, from top to bottom, signifies degrees of illumination as one ascends heavenward. In reality, there are

those in the know vs. those that will never know

8. **SOVEREIGNTY EXCHANGED FOR GLOBALISM OR INTERNATIONALISM**—The eradication of concepts such as family, tribe, tongues, and peoples must be surrendered for homogeneity, oneness, and the social memory complex
9. **FREE MARKETS EXCHANGED FOR PUNITIVE REGULATION, TAXATION, AND CARTEL CORPORATE MANIPULATION**—Within the league of the cartel, the espionage of other businesses is condoned, while the elimination of competition is accomplished by price fixing within the cartel alliance. Endless, expensive, and frivolous lawsuits against smaller competitors are employed to destroy cartel 'annoyances.' Captured political parties enact laws that benefit the few, large, and insulated corporations
10. **EUGENICS**—Since oneness in mind, purpose, and direction are the goals of the collectivist, any uniqueness, difference, distinction, and variance in **moral** thought CANNOT be tolerated. Hitler's Aryan mentality, at all cost, must be pursued and maintained, even if it means the elimination of certain 'mongrel races' deemed unnecessary by Margaret Sanger,

Planned Parenthood, and the Deep State Kabbalists

**11. EVOLUTION, NOT BIBLICAL CREATION, EXPLAIN MAN'S**

**EXISTENCE**—Random chance, eons of time, atheism, and the collectivist mentality, all of which go hand-in-hand, are THE reasons explaining man's loss of dignity, as well as the evils that have befallen men by their fellow men

**12. AEOSOPIC LANGUAGE—**

Employing Nimrod's animal mimicry, camouflage, and decoys in its practical application on human behavior, is not to be forgotten in the area of human communication. If the enemy can convince us using our language, while attaching their subversive definitions to our communication, they can convey to their initiates without arousing our suspicion. Pretty sneaky, huh? Examples of this are: fetus instead of a baby; gun violence instead of criminal violence; democracy (rule by the majority) instead of Constitutional, representative government with its separation of powers; peace meaning the presence of a Communist state, instead of the presence of biblical-moral law, etc.

**13. ESOTERICISM—**

Mindless gibberish never intended to convey anything rational, but sounding 'impressive' to the select few in power that advances their sinister agenda

**14. SUBJECTIVE-PHILOSOPHICAL**

**ABSTRACTIONISM**—The abstract are those thoughts beyond the realm of common human understanding or rationalistic thought. The abstract dabbles in theory and speculation. The abstract is not tried and grounded in reality. You've heard of abstract art vs. realism. I'll take realism any day. Abstract art is void of any rules. It can mean anything to anyone.

**15. BIBLICAL ZIONISM VS.**

**ATHEISTIC, TALMUDIC-RABBINIC ZIONISM**—This issue can be distilled down to the difference between law and grace. All sovereign countries are battling the Deep State within. Israel is no exception. Its religious collectivism is advanced through the efforts of the captured Deep State civil magistrates and Sadducees. The antichristian, religious monolith of the Pharisees, doctors of the law, lawyers, and corrupt scribes, are those, along with the civil bureaucrats, that collectively fall under the umbrella known as Jewish Kabbalism. It has been in operation for over six millennia (Gen. 11:1-9). Currently, it can be destroyed by:

- a. The gospel of Jesus Christ, the public display of the 10 Commandments, prayer in public schools, Bible reading as part of school curricula

- b. The elimination of a worthless government issued fiat currency with replacement of gold and silver coin and forgiveness of debt through jubile forgiveness. Return confiscated wealth that has been re-distributed (stolen) back to its rightful owners
- c. Convert current hackable internet communications with secure, transparent, and accountable, quantum technology
- d. Return our children's education back to the parents at the local level, while optional charter, home, private, and Trump academy learning centers are to be expanded and initiated. Competition in education will produce the best qualified graduates. Vocational school expansion for those who want a skill out of high school
- e. Eliminate all parasitic occupations and associations:
  - politicians
  - pastors and ministers
  - civil litigators (American Bar Association) and bail bonds (Num. 35:31, 32-“satisfaction”)
  - allopathic medical doctors replaced with naturopathic doctors, med-beds, and natural remedies
- bankers or moneychangers (worthless middlemen engaged in money laundering) replaced with quantum technology, secure blockchain ledgers, de-centralized nodes, along with minute by minute financial updates, as well as gold and silver backing of all financial transactions
- f. Exchange the godless teaching of evolution AND consensus science (“science falsely so called”—I Tim. 6:20) for biblical creationism
- g. Eliminate the ‘vaccine’ and pharmaceutical industries, geo-engineering, and the cancer industry as hidden agendas of the Deep State
- h. Return chronological methods of age calculation to that of the Bible. No more months with varying number of days (return to a 30 day lunar month—‘from one new moon to another’); re-calculation of the New Year to that of the Bible (April-Abib-Nissan as the beginning of months); elimination of Daylight

Savings Time; the readjustment of the day to begin at even, with twelve hours of darkness lasting from 6:00 p.m. to 5:59 p.m. This would give way to 12 hours of daylight, with the day ending at 5:59 a.m.

In conclusion, the syncretism (ideological eclecticism) of these disparate and corrupt concepts amalgamated together and, voila, you produced Jewish Kabbalism. Jewish Kabbalism should be remembered as simply possessing a façade or appearance of righteousness, piety, and reverence;<sup>11</sup> however, underneath it are the vices of corruption, carnality, and a model that is thoroughly destitute of the truth.

5 ¶ Then the angel that talked with me went forth, and said unto me, Lift up now thine eyes, and see what *is* this that goeth forth. 6 And I said, What *is* it? And he said, This *is* an ephah that goeth forth.

An ephah, a volumetric-weight unit of measurement, is equivalent of ¼ of a bushel OR 1 peck, which is 8 quarts OR 2 gallons. In weight, this equals 256 oz. OR 16 pounds. The significance of this might be that 1+6=7 a number associated with the completeness, blessedness, rest, and sanctification of God in creation. (Gen. 2:1-3)

He said moreover, This *is* their resemblance through all the earth.

The significance of this verse is that God said this curse would be evident equally throughout the whole earth. Unfortunately, this suggests that evil men dominate all regions of the earth, therefore the curse would be everywhere. This should; however, not discourage the saint in any way because, “greater is he that is in you, than he that is in the world.” (1 John 4:4)

7 And, behold, there was lifted up a talent of lead:

Lead, a relatively common and worthless metal, is a by-product of more valuable metal smelting, and is indicated here along with its weight—a talent—or 93 lbs.

and this *is* a woman that sitteth in the midst of the ephah.

While Nimrod was the architect of the Babylonian Mysteries, it was his mother-wife, Semiramis, a woman, who perfected the religion after Nimrod's death. Giving birth to Tammuz, the resurrected Nimrod, this false religion of mother-son worship was long in place before Mary gave birth to Christ.

8 And he said, This *is* wickedness. And he cast it into the midst of the ephah; and he cast the weight of lead upon the mouth thereof.

---

<sup>11</sup> In this chapter, verse 4, it says, “swearth falsely by my name.”

We are told that the woman sitting in the midst of the ephah IS wickedness! The importance of casting “the weight of lead upon the mouth thereof” is that this religious movement would be shrouded in secrecy and silence, obfuscating the truth from those not initiated (brainwashed or bewitched through sorcery—See Acts 8 with Philip the evangelist, and Simon the sorcerer).

9 Then lifted I up mine eyes, and looked, and, behold, there came out two women, and the wind was in their wings; for they had wings like the wings of a stork: and they lifted up the ephah between the earth and the heaven.

Continuing to witness this holographic vision given to the Jewish prophet, Zechariah lifted up his eyes and perceived two women, namely the atheistic, rebellious Jews of Judah and Benjamin that remained in Babylon and founded Jewish Kabbalism. Not only was this curse described by God as possessing the characteristic of wickedness, but it was also unclean. In Leviticus 11 and Deuteronomy 14 we see those animals that are clean and unclean. The stork is unclean. It should never be consumed.

The fact that “the wind was in their wings” suggests that it did not take much effort to re-locate this vial religion of Kabbalism to its point of origin in Babylon—“in the land of Shinar.”

10 Then said I to the angel that talked with me, Whither do these bear the ephah?

11 And he said unto me, To build it an house in the land of Shinar: and it shall be established, and set there upon her own base.

Notice, this future headquarters of Kabbalism had not been established at the time Zechariah had received this vision— “to build it an house.” Shushan in Susa, in the province of Elam, was near a river called the Ulai River (Dan. 8:2, 16). Babylon is 225 miles east of Shushan where Daniel and the majority of Southern Kingdom, Jewish exiles lived. This is why Zechariah is told by the angel that the headquarters of this Kabbalism would be located in Babylon, “in the land of Shinar.”
