

God's Dominion Mandate and the Quantum Financial System

By Paul J. Wickliffe, author, content creator, researcher, horticulturalist (40 yrs.), journalist, Christian and Bible student (49 yrs.), B.A. U.S. History, All scripture cited from the Pure Cambridge Edition of the K.J.V. (Australia, 1901)

For those interested, I present the following **objective**¹ history as presented in the Bible. With all the talk in conservative circles regarding the QFS (Quantum Financial System) and monetary² revaluation, all of which is readily available to the public, I start with God's decree to our first parents—Adam and Eve from Genesis 1:26-28:

“And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. 27 So God created man in his *own* image, in the image of God created he him; male and female created he them. 28 And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.”

Critical points revealed from these verses:

1. **MARRIED COUPLE (ONE MAN TO ONE WOMAN)**—God did not issue his decree to just anyone. He issued it to one man and one woman in the covenant of marriage. This is the only godly and lawful way God could fulfill this *dominion mandate* through *fruitfulness* (procreation) **AND** *multiplication* (human migration over the earth . . . God formed it to be inhabited).

¹ God's objective account of history indicts man in his sin. It reveals man's incapacity to redeem himself and restore his relationship to his Creator, without God's divine intervention (Jesus Christ).

² I refuse to use Jesuit-Catholic terms when discussing financial matters. God uses the word money NOT currency to define that medium of exchange which, throughout history, possess four immutable qualities: 1. relative scarcity 2. divisibility 3. intrinsic worth 4. durability.

2. **MAN WAS CREATED FIRST, THEN WOMAN (TAKEN FROM MAN)**—God has an ordained hierarchy of authority on earth, just as he does in heaven—the Godhead, the angel of the LORD, archangels, cherubim, seraphim, other holy angels. Let me say; however, this hierarchy has a Godly blueprint. The husband is to love³ his wife as Christ gave⁴ himself for the church. This means that through the husband's godly example, the prayers of the wife with her submission, and the proper upbringing of children in the nurture and admonition of the LORD, they will be obedient to parents, other people in authority, while contributing to society.
3. **FRUITFULNESS MEANS BECOMING ONE IN MARRIAGE**—Anyone married knows that success in the bedroom between husband and wife, means both parties must be in tune with Christ if intimacy is to be what God intended.
4. **MULTIPLICATION OR HUMAN MIGRATION**—Means man was to spread over the Earth and inhabit it. This is contrary to the globalists and their sinister agenda of population control and eugenics. You need to reject that ungodly narrative!
5. **REPLENISH**—Carries with it the idea of *stewardship* and respect for God's creation. That means if you are a homeowner take care of the outside and inside of your residence—it is God's. You are simply taking care of what is his. It means whatever you take, you replace, replenish or return.
6. **SUBDUE**—Suggests that God's plan is for man to work (innovate, invent, collaborate—by the sweat of his brow) with nature NOT work against it. God will inspire men, given man's godly attitude, to overcome all apparent obstacles in planning, implementing, and executing man's ultimate objective in working WITH nature.

³ The husband reflects the love for his wife by demonstration of the fruit of the Spirit.

⁴ The man gives himself to his wife in truth (spiritually), feeling (emotionally), duty of marriage (sexually). The woman is to be the help God intended her to be to her husband or as scripture put it, "an help meet for him." (Gen. 2:20) Husband and wife are not to be adversaries. They are to be one in heart, purpose, and in Christ.

7. **NATURAL RESOURCE RECOGNITION, DEVELOPMENT, EXTRACTION, AND UTILIZATION FOR THE BETTERMENT OF ALL**—This decree to Adam, Eve, and their offspring, was decreed by the Creator, Jesus Christ. It was mandated for the express purpose that men would follow God’s benchmark of resource management, stewardship, and care. God’s directive towards men to have dominion means to CARE through STEWARDSHIP. While this decree was issued to Adam and Eve’s offspring, we discovered in Genesis 3, that in the fall of man, TWO races of people would emerge—the seed of the serpent AND the seed of the woman. While sin, in Genesis 3, marred Adam and Eve’s relationship, the covering for their sin, animal skins (Gen. 3:21), not their nakedness,⁵ God provided.
8. **WHILE THE ANTEDILUVIANS POPULATED THE EARTH FOR 1,656 YEARS, MAN’S SINS EVENTUALLY BROUGHT GOD’S JUDGMENT**—While families, tribes, tongues, peoples, and languages dominated the earth, along with their city states, the Bible makes no mention of collectivism with its sinister tentacles. This wicked phenomenon would not surface until after the flood and the Table of Nations in Genesis 10. It is in Genesis 10:8-10⁶ that we read about Cush’s offspring, Nimrod, chief rebel leader opposing Christ (Gen. 3:15)⁷ and architect of collectivism. This archetype of the seed of the serpent spawned collectivism—first religious, then governmental (or as Nimrod would call it political).⁸

⁵ Adam and Eve’s sin required a payment and therefore a consequence for their disobedience, namely, an animal sacrifice. This sacrifice that was temporary could appease God only momentarily. Jesus’ substitutionary, atoning death on the cross was perfect in satisfying God’s requirement that covered man’s sins—past, present, and future.

⁶ Gen. 10:8-10—And Cush begat Nimrod: he began to be a mighty one in the earth. 9 He was a mighty hunter before the LORD: wherefore it is said, Even as Nimrod the mighty hunter before the LORD. 10 And the beginning of his kingdom was Babel, and Erech, and Accad, and Calneh, in the land of Shinar.

⁷ Gen. 3:15—And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.

⁸ The word politics or political is an occult term meaning the end justifies the means. It is a word the Democrat Party has perfected.

Moving forward in the Bible, after the fall of Adam and Eve and their expulsion from Eden (day 8-Sunday), preventing them from consuming the tree of life and, therefore living forever in their sin, God placed Cherubims with a flaming sword “which turned every way, to keep the way of the tree of life.”

At this point uninformed, ignorant, and enemies of Jesus’ word, the Bible, make the argument that man’s sin caused him to forfeit God’s dominion mandate to Satan and his seed. Nothing could be further from the truth. God reiterated his promise to Noah and his offspring in Genesis 9—the dominion mandate reclaimed.

Once we get to the birth of Nimrod and the appearance of his tower of Babel, namely confusion, it is here God confounded mankind’s language and broke up this monopoly on institutionalized, religious, clandestine, corruption. In Genesis 11:1-9 we get the specifics of this antichristian rebellion— “Behold the people *is* one.” (Gen. 11:6)⁹

NIMROD’S THREE CORRUPTING STRATEGIES

This foundation of religious corruption that currently leavens the world with its evil, had at its center three primary strategies for its establishment, success, maintenance, and perpetuation. These three components of subterfuge, gained from Nimrod’s¹⁰ hunting pursuits were:

1. **Camouflage**—This involves the skill of invisibility. You do not want to arouse the least bit of suspicion among those you mingle. In espionage circles we label this person a spy, mole, or traitor.
2. **Decoys**—If you want to succeed in beguiling your opposition, you must act, dress, and outwardly communicate the part.
3. **Animal mimicry**—Your language and narrative must sound convincing and like that of your opposition. How do you achieve this coup or

⁹ “And the LORD said, Behold, the people *is* one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do.”

¹⁰ God said Nimrod was “the mighty hunter before the LORD.” (Gen. 10:9)

overthrow? You engage in *Aesopian Language*¹¹ or language you have corrupted by attaching a different meaning to words and phrases that only your initiates understand. For those on the outside, you can advance your enemy's sinister agenda by being misinformed and naively assisting the opposition. Disinformation, sorcery¹² or propaganda is purposely disseminated by its disciples for the objective of an eventual coup—morally, spiritually, and politically.

Nimrod advanced his regional hegemony (territorial influence, dominance) from Babel to Erech, Accad, and Calneh in the land of Shinar. He achieved this consolidation by religious collectivism. These activities are mirrored in Rome's absolute tyranny over her subjects as reflected in her redemptive system of works, as well as the doctrines and commandments of men (magisterium, Jerome's corrupt Catholic Bible, Catholic tradition).

Mystery Babylon's tyranny has been primarily accomplished by Rome's Venetian banking system (the Federal Reserve, I.R.S., and Bank of London as models), the Roman Curia (Rome's corrupt legal system), as well as corporate unionism, and corporate monopolistic control within business. All of these have been assisted by pedophiles within Hollywood, progressives within government, a corrupt legal maritime system, liberal academia, compromised sports, the allopathic medical community, big Pharma, the 'vaccine' industry, the military-industrial complex, Wall Street, the Mockingbird Media, and corrupt intelligence communities (esp. the C.I.A., F.B.I., and N.S.A. during the Clinton-Bush-Obama-Biden eras).

RELIGION, MONEY, AND GOVERNMENT

¹¹ Aesop, a Greek poet, constructed stories about life drawing on animals and their relationships to each other and man to convey deep moral truths. Those who were morally bankrupt, namely refused to heed their God-given moral conscience, could not fathom Aesop's fables.

¹² In Acts 8:5-25 we read about Simon the sorcerer who bewitched the Samaritans with his lies substituted as the truth. The only thing that broke this spell was the gospel of Jesus Christ. This was accomplished by Philip's preaching. It was also assisted by Peter and John's apostolic presence and the laying of hands dispensing the gift of the Holy Spirit to the Samaritans. It involved public disclosure of falsehood, transparency of purpose, augmented with integrity of the transformative power of Christ over all other gods.

From Nimrod, spread three insidious, yet almost imperceptible evils that would envelope the world: a false religious system, a false monetary system, and a false governmental system.

The counterfeit RELIGION would mimic Christ from Babylon onward spreading its control and corruption of men at the deepest level—the soul of the individual. It would substitute God’s grace and peace for man’s works and vexation. It would extort wealth from God’s people to those privileged few at the top, who answered to no one. It would evangelize in the name of Christ but leave out the importance of the Holy Spirit (redemption), and the dedication to memorization and study to the completed, inerrant scriptures.

The false MONEY system would allow those at the top to confiscate the individual’s wealth through taxation, interest, bonds, inflation, wars, and demographic change sold as compassion for illegal migrants in exchange for votes and keeping thugs in power.

The GOVERNMENT would sell representation and elections for slavery, selections, generational indebtedness through inflation and deficit spending, as well as national demographic replacement-displacement. Government taking place of the people and without their consent, would fundamentally transform the native culture and peoples with the ultimate objective of destroying God’s original dominion mandate between one man and one woman in marriage.

THE Q.F.S., QUANTUM TECHNOLOGY, PUBLIC DISCLOSURE, AND REDEMPTION CENTERS

With the incremental rollout of Tiers 1-4B, the covert arrests, trials and executions of Deep State assets, the implementation of the Emergency Broadcast System (E.B.S. with its 10 days of internet darkness) and the switching to a new quantum internet, along with the release of over 6,000+ suppressed patents, the cabal will be ultimately defeated and God’s original dominion mandate divinely extended to our first parents, will be accomplished.

The Q.F.S. or Quantum Financial System (as it is known) will be secure, transparent, without latency, decentralized, and backed by physical gold, silver, and platinum. It will also be backed by each sovereign country through its people and natural resources, just the way God had planned it all along.

The Q.F.S. will be aided by quantum technology with its elimination of the I.R.S., with its Federal Reserve central banking cartel. Money will be generated by the tremendous transformation of stolen wealth from the Luciferians back to the people from which they stole it. Wealth will also be released through national and individual humanitarian trusts, a 14% consumption tax, natural resource identification, extraction, development, utilization, and replacement, along with the practical implementation and release of 6,000+ patents, foreign trade tariffs, as well as the people within each sovereign nation. It is the citizenry of each country that will be credited as an invaluable resource to the advancement of each country.

Through content creators dedicated to upholding our Constitutional Republic, the Bible as our country's moral anchor, and a dedication to never allow the Deep State to get an upper hand again, transparency through public disclosure will keep America's future bright.

Finally, this repatriation of wealth back to its citizens will BEGIN through a phenomenon known as the **redemption center**. The **redemption center**, a key component in ferreting out the remaining evil from the good will subject everyone to a resonance (sound)¹³ and thermal (heat)¹⁴ scans. From there the individual will redeem any foreign and domestic currencies in their possession. To get top dollar for their currency, the individual must state that they want the **contract rate or special rate, whichever is higher**. They will submit any humanitarian initiative trusts, while reciting the purpose of the trust. They will surrender a copy of their humanitarian trust to a redemption center guide. They will read and sign a **90-day Non-Disclosure Agreement**

¹³ This scan will reveal unforgiveness, bitterness, anger, hatred, variance, and strife.

¹⁴ I have not heard anything about a thermal scan; however, it sounds like a logical option. This scan would reveal whether the individual is real or a cyborg. It would also detect metal replacement of organs from surgery (hip replacement, rods in spine, fillings or crowns in dental work, prosthesis, etc.)

regarding the wealth that has been credited to their quantum access account. They will receive a Quantum Access Account Card unique to their specific biometrics. They will receive a quantum phone and laptop. Upon completing each of the nine stations they will be reminded again of their **90-day Non-Disclosure Agreement** and implored not to talk to anyone for fear of losing their newfound wealth.

CONCLUSION: This theft from man by God, given to Adam and Eve in the dominion mandate, has been generational and commenced with Nimrod's religious collective at Babylon. It has spanned centuries and millennia. Its god has been money and controlling that financial narrative throughout history. This veil of darkness imposed upon men by Satan and the seed of the serpent, has been assisted primarily through religion, the financial system, and government. Fiat currency or funny money is the crown jewel founded and perfected in Babylon and has been the key to keeping men in bondage, slavery, oppression, poverty, and loss (war).

“The thing that hath been, it *is that* which shall be; and that which is done *is* that which shall be done: and *there is* no new *thing* under the sun. 10 Is there *any* thing whereof it may be said, See, this *is* new? it hath been already of old time, which was before us.” Ecclesiastes 1:9, 10
