

# What Might Be Imminent Given Trump's Recent Comments Regarding Communism's Presence in America

By Paul J. Wickliffe, servant of the Most High and Deep State analyst

Wednesday, July 1, 2026, all Bible citations taken from the PCE of the KJV (Pure Cambridge Edition of the King James Version)

I have been silent for quite some time. My wife and I, both retired, had to return to work to pay some debt we incurred during Biden's disastrous inflationary four years of 24%, actual numbers, not faked numbers to make the Dumbocrats appear as though they knew what they were doing . . . As if they ever know what they are doing. Read "Hillary's America" by Dinesh D'Souza if you want to discover the origin and objectives of the Democrat Party!

Anyway, I have some observations and then some biblical remarks God would like to say when it comes to collectivism. This is all in light of Trump's Truth Social post regarding Communism. You know, the Commies in New York City, the mayor, Zorhan Mamdani, and the puppets he just appointed, and Trump's remarks saying he has been waiting for quite some time for them, and that the "game is on."

Those that know of my spiritual journey are aware that I attended Protestant 'church' for 31 years. Before those 31 years of being clerically beguiled, God delivered me in 1976 from darkness to light, and from a captive in my sin, to freedom in Jesus Christ. At eight years old, after reading Genesis 1, I prayed that God would give me insight, discernment, and understanding of his word, the Bible. I know, that is highly unusual and extraordinary, but God is in that business.

Little did I know that 12 years later he would snatch me from myself and change my worldview . . . This is what God calls transformation. It is not change I could summon within but the transformative power of the Holy Spirit, lying beyond myself, whose unseen actions upon me have profoundly altered my mind and direction in life.

In 1977 two things were about to collide in my world, God's need for me to know about the Deep State, AND a leadership position within a political, conservative group that lasted about a year and a half to two years. I left because I discovered that the group I was a member in, was not what I thought . . . It was a front for the Roman Catholic church. They tried to convince its members that our struggle was simply against "flesh and blood." Yes, I know God has always used human agents to advance his kingdom on Earth, but I was also discovering the wickedness of men to subvert God's plan in order to perpetuate a clandestine, incremental strategy that would usher in a global, godless government . . . One

planned and laid out under the guise of religion by Nimrod, its architect, over 4,500 years ago, at the Tower of Babel, in the plain of Shinar.

Now to God's comments and his hatred for collectivism, in all its forms and functions. Note the following verses:

1. THE TOWER OF BABEL—In Genesis 11:1-9 men defy God's dominion mandate. God's divine decree issued in Genesis 1:26-28 is NOT what Nimrod inspired in his rebellious, useful idiots. In God's Genesis decree given to Adam and Eve, we see four points that can be expanded upon:
  - BE FRUITFUL—Marry ONE WOMAN in God's covenant of MONOGAMOUS marriage
  - MULTIPLY—Spread over an uninhabited planet, and in doing so sovereign peoples, tribes, tongues, and nations would emerge responsible to their Creator and to each other
  - REPLENISH THE EARTH—Man did not have to work in the sense of employment to pay creditors, corrupt governments, politicians, and the rest of the sordid predatory occupations that arose with the advance of sin and men's evil machinations. Nor did man have to work to put food on the table. In the antediluvian world, the time before the catastrophic flood of Noah, there were no soil depletions, or inequalities of soil nutrients because the tectonic convulsions after the flood created this disparity. Remember, the flood occurred because of man's sin and God's judgment against man's rebellion. Replenishment means to restore that which was taken. This involves resource management or STEWARDSHIP. It carries with it the responsibility that what I have is not mine, but God's. This was God's definition of man's 'work.' No idleness, slothfulness, or carelessness in detail because this was stewardship for what the Creator had bestowed upon us. All collectivist endeavors ultimately devolve into the cesspool of personal irresponsibility, immorality, and a carefully crated predatory framework deceiving the masses into thinking that this paradigm is acceptable and 'normal'

- SUBDUE—This was not to take and not give back<sup>1</sup> OR to conflict with existing structures God had designed. It was to work with an attitude of collaboration, inventiveness, ingenuity, and inspiration from the Creator that would push men and God closer together, NOT further apart. This has always been leveraged with the understanding that it is God that permits man to get wealth,<sup>2</sup> and not the delusions of a rebel and his godless system hellbent on elevating himself as God and sending himself to hell, with every other simpleton naïve enough to believe his propaganda. This is why Nimrod is called “the mighty hunter before the LORD.” He discovered his observations of animal behavior which involved animal mimicry, decoys, and camouflage. He discovered that this strategy worked perfectly when applied to the human psyche. God calls it sorcery, Men call it the Mockingbird Media, MK Ultra, Monarch Mind Control. In religion it is called the New Age Movement or the Human Potential Movement regurgitated<sup>3</sup> and popularized by L. Ron Hubbard

2. I Samuel 8:7, 11-17--GOD, THROUGH SAMUEL, SPOKE TO ISRAEL AND THEIR REJECTION OF GOD. THEY WANTED A KING TO RULE OVER THEM. GOD TOLD THEM THE NATURE AND MANNER OF MONARCHICAL RULE THAT WOULD COME UPON THEM

- I Sam. 8:7--And the LORD said unto Samuel, Hearken unto the voice of the people in all that they say unto thee: for they have not rejected thee, but they have rejected me, that I should not reign over them.

What the enemies of the LORD see as constraints, are freedoms and liberties in Christ. Remember, God’s ways are not man’s ways, neither his thoughts man’s thoughts. When men relinquish their liberties to others, they forfeit their independence, uniqueness, giftings, and purpose that God

<sup>1</sup> This is the collectivists model of extraction, exploitation, oppression, and managed decline

<sup>2</sup> Deuteronomy 18:8—But thou shalt remember the LORD thy God: for *it is* he that giveth thee power to get wealth, that he may establish his covenant which he sware unto thy fathers, as *it is* this day.

<sup>3</sup> Ecclesiastes 1:9, 10--The thing that hath been, *it is that* which shall be; and that which is done *is* that which shall be done: and *there is* no new *thing* under the sun. 10 Is there *any* thing whereof it may be said, See, *this is* new? it hath been already of old time, which was before us.

designed them to be FOR HIS KINGDOM. The irresponsible will always attempt to exploit the naïve . . . So, don't be naïve. Don't be a simpleton. God doesn't make people stupid. People make themselves stupid. Even an animal does not act stupid. It will cost them their life.

- I Sam. 8:11-17--And he said, This will be the manner of the king that shall reign over you: He will **take** your sons, and **appoint** *them* for himself, for his chariots, and *to be* his horsemen; and *some* shall run before his chariots. [12](#) And he will **appoint** him captains over thousands, and captains over fifties; and *will* **set them** to ear his ground, and to **reap** his harvest, and to **make** his instruments of war, and instruments of his chariots. [13](#) And he will **take** your daughters *to be* confectionaries, and *to be* cooks, and *to be* bakers. [14](#) And he will **take** your fields, and your vineyards, and your oliveyards, *even the best of them*, and **give them to his servants**. [15](#) And he will **take** the **tenth of your seed**, and of your vineyards, and **give to his officers, and to his servants**. [16](#) And he will **take** your menservants, and your maidservants, and your goodliest young men, and your asses, and **put them to his work**. [17](#) He will **take** the **tenth of your sheep**: and **ye shall be his servants**.

If you cannot see the words I have underlined and put in bold you are missing the point. This is the nature of collectivism: extract, exploit, oppress, and manage decline. Is this what you want? Stop surrendering your liberties to the collectivists or predators. Stop believing their lies just to gain office and then deprive you of your capacity to physically resist their oppressive rule, once they gain power by those very lies.

3. LISTEN TO THE APOSTLE PAUL'S MESSAGE TO THE ATHENIANS (GREEKS)  
ATOP MARS HILL FROM ACTS 17:26-30:

Whom therefore ye ignorantly worship, him declare I unto you. [24](#) God that made the world and all things therein, seeing that he is Lord of heaven and earth, dwelleth not in temples made with hands; [25](#) Neither is worshipped with men's hands, as though he needed any thing, seeing he giveth to all life, and breath, and all things; [26](#) And hath made of one blood all nations of men for to dwell on all the face of the earth, and hath determined the times before

appointed, and the bounds of their habitation; [27](#) That they should seek the Lord, if haply they might feel after him, and find him, though he be not far from every one of us: [28](#) For in him we live, and move, and have our being; as certain also of your own poets have said, For we are also his offspring. [29](#) Forasmuch then as we are the offspring of God, we ought not to think that the Godhead is like unto gold, or silver, or stone, graven by art and man's device. [30](#) And the times of this ignorance God winked at; but now commandeth all men every where to repent: . . .

The point that is evident here is that God is the author of sovereign nations, peoples, tongues, and tribes. The Tower of Babel was the opposite . . . Men opposing God's dominion mandate of:

- fruitfulness (in the covenant of marriage)
- multiplication (exploration, discovery, settlement, and development of the Earth)
- replenishment (stewardship, resource management with the understanding that this was God's gift to men)
- subdue (working with God's natural structures through innovation, invention, collaboration, and the inspiration God gives to men to understand their position within God's sovereign purpose on the Earth, AND God's eternal plan for each individual

In closing, it is evident that the greatest threat, as I have stated before is collectivism, especially religious collectivism. The architect of it all was Nimrod in Genesis 10, God's Table of Nations narrative. Are Trump's comments a 'connect the dots' communique that the EBS is imminent? We are approaching our 250<sup>th</sup> birthday as a Republic, now free from the City of London, I mean the proxy of the Vatican.<sup>4</sup> You decide!

<sup>4</sup> Revelation 17:1, 2, 9--And there came one of the seven angels which had the seven vials, and talked with me, saying unto me, Come hither; I will shew unto thee the judgment of the great whore that sitteth upon many waters: [2](#) With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication. [9](#) And here *is* the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth.
