

WHAT THE LAST THREE YEARS HAVE TAUGHT ME

BY PAUL J. WICKLIFFE

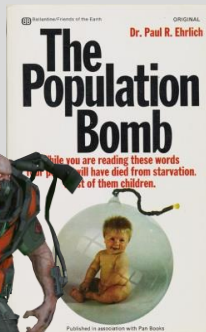

VS

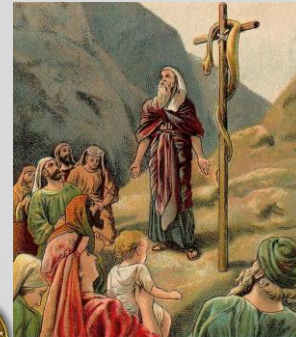

The seed of the serpent and his unbridled hatred for the seed of the woman

A clear rejection of man's divine creation & God's *dominion mandate* as outlined in Genesis 1:26, 28

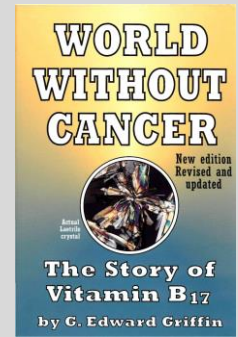

Government issued fiat currency vs. real money

God's faith and healing—The brass serpent on the pole (Num. 21:4-9)—That which God intended for good, the medical establishment has corrupted for evil

The falsification of 'clinical' data and brainwashed M.D.'s prevented the public from a cure for cancer—amygdaline or B-17 back in the 70's.

1. THE PLAYERS INVOLVED REFOCUSED—THE SEED OF THE SERPENT VERSUS THE SEED OF THE WOMAN¹
2. THE ENEMY’S PLAN EXPOSED—GLOBAL DEPOPULATION & TRANS-HUMANISM²
3. THE ENEMY’S PRIMARY METHOD OF GLOBAL INDOCTRINATION—THE CONVOLUTED MINDSET OF PSYCHOLOGICAL, PREDICTIVE PRE-PROGRAMING THROUGH TELEVISION AND AIDED BY THE CHURCH, THEN REINFORCED BY GOVERNMENT, ACADEMIA, THE MILITARY-INDUSTRIAL COMPLEX AND FINANCED THROUGH GOVERNMENT SPONSORED, CORPORATE CARTELS³
4. THE ADVANCEMENT OF MAN WITHIN HISTORY HAS OCCURRED BECAUSE OF EITHER GOD-FEARING, INSPIRED INDIVIDUALS OR DELUSIONAL COLLECTIVISTS AND THEIR SURROGATES, BENT ON LOCAL, REGIONAL, NATIONAL, OR GLOBAL DOMINATION⁴
5. THE ENEMY’S SINISTER METHOD OF FINANCIAL SUSTAINABILITY—INFLATION, INTEREST-RATE HIKES, BANK OF INTERNATIONAL SETTLEMENTS, THE I.M.F., ETC. THROUGH A GLOBALIST FIAT OR DIGITAL CURRENCY. IF FREEDOM IN OUR CONSTITUTIONAL REPUBLIC IS TO BE RETURNED TO THE PEOPLE, CONSTITUTIONAL GOLD AND SILVER COIN MUST REPLACE THE PHONY FEDERAL RESERVE NOTES MASQUERADING AS ‘LAWFUL MONEY.’ REAL, LAWFUL MONEY THROUGHOUT HISTORY HAS PROVEN TO POSSESS FOUR KEY COMPONENTS:
 - INTRINSIC WORTH
 - DURABILITY
 - DIVISIBILITY
 - RELATIVE SCARCITY
6. THE HIPPOCRATIC OATH TO “DO NO HARM” WAS ABANDONED LONG AGO WITH THE ‘VACCINE’ MANUFACTURER’S IMMUNITY FROM VACCINE DEATHS AND ADVERSE AFFECTS (V.A.E.R.S. OR VACCINE ADVERSE EVENT REPORTING SYSTEM), PASSAGE OF ROE VS. WADE, THE FLEXNER REPORT AND STANDARD OIL’S OWNER JOHN D. ROCKEFELLER’S PETROLEUM-BASED PHARMACEUTICALS ALONG WITH HIS ALLOPATHIC APPROACH TO MEDICINE. THEY HAVE BEEN EXPERIMENTING AND KILLING US FOR A LONG TIME.

1. Gen. 3:15--And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.
2. Abortion and vaccine mandates for infants ARE reflections of the serpent’s enmity (intense, unbridled hatred) toward the seed of the woman
3. As enumerated on the now destroyed Georgia Guidestones (500,000,000 as compared to the world’s 7.3 billion). Through the C-19 bioweapon jab and actuarial data provided by Edward Dowd, former fund manager for Blackrock, as well as Deagle, a Deep-State-sourced military website, U.S. population projections for 2025 reveal **240,900,000 dead** leaving us a population of only 89,100,000, dating back to the census period of 1900-1910. The National Vaccine Information Center founded by [Barbara Loe Fisher and Kathi Williams](#) anticipate global death rates to reach 70% or 5,110,000,000, down from the current 7.3 billion. Their projections are a bit more dire than [Deagle’s](#) with U.S. deaths hitting 264,000,000 leaving us with a national population of only 66,000,000 dating back to the census period of 1890-1900. The website [usafacts.org](#) has those Americans receiving the original bioweapon jab at 82% or 270,227,181. This die off would leave the U.S. population at 59,772,819 and would hearken us back to the census period of 1650-1660.
4. Nimrod’s blueprint and vision for global domination (collectivism) continues primarily through the church.^{Genesis 11:1-9} Anyone that fails to see this is blind
5. This is as evident as the nose on one’s face

MEDIUM OF EXCHANGE	INTRINSIC WORTH	DIVISIBILITY	DURABILITY	RELATIVE SCARCITY
BARTER (food, clothing, household articles, agricultural goods, etc.)	yes	no	yes	depends on antiquity, rarity or circulation scarcity of item
COMMODITY MONEY (Constitutional gold & silver coin, real money)	yes	yes	yes	yes
RECEIPT (a money substitute)	no	yes	no	no
FRACTIONAL RESERVE (worthless government issued funny 'money' or bank-warehouse receipts that possess no value)	no	yes	no	no

Mayer Amschel Rothschild
1744-1812

“Mayer Amschel Rothschild, who founded the great international banking house of Rothschild which, through its affiliation with the European Central Banks,” along with the Vatican or Venetian bankers, “still dominates the financial policies of practically every country in the world.” said:

“Permit me to issue and control the money of a nation, and I care not who makes its laws. The few who understand the system, will either be so interested from its profits or so dependent on its favors, that there will be no opposition from that class.”

Those interested in its profits, by the way, are those driven by avarice or what the Bible calls the love of money,¹ while those dependent on its favors, are those motivated by materialistic greed.

1. God does not condemn money. What God hates is the replacement, worship and security of himself with something physical and tangible, in this case money.

Individuals Unable to ‘Connect the Dots’

During the three year scandemic hiatus, the word ‘vaccine’ was changed by the C.D.C. During Trump’s interview with Bill O’Reilly, where Trump said he received the vaccine, he was referring to the antidote. It was this same antidote Trump was inoculated. Trump went on to say the vaccine would also save millions of lives. Trump was correct in what he said. He is not a liar, a lunatic, nor in the dark when it comes to knowing what is going on. Sorry, ill-informed, you don’t know more than the Commander-in-Chief! His *Operation Warp Speed* was designed to bring to light all those Deep State agents working for the depopulation agenda on behalf of the globalists.

*Interesting side note. Calvinist and Puritan, as well as gifted Bible orator and expositor Jonathan Edwards, had his life cut short as a result of complications resulting from a small-pox ‘vaccine.’

“When small pox swept into Princeton, New Jersey during the winter of 1757-58, Edwards, the local college’s newly minted president, got a shot from a reputable doctor. Thirty-seven days later Jonathan Edwards was dead from the [shot](#).” It should be noted that Edwards, a devout disciple and practitioner of the Protestant work ethic found himself routinely in a general state of fatigue. He most likely succumbed to another virulent pathogen contained in the pox inoculation. Ignoring his general state of fatigue, at the cost of his belief in his ‘service to God,’ most likely set the stage for Edwards ultimate demise to the pox. Let me ask you, ‘does God honor hard work?’ I believe he does, but never at the cost of respecting and understanding our body’s to be the temple of the Holy Spirit that is within us. Edward’s belief in his ‘service to God’ was NOT the will of God!

“One medical book of the period advised that the best way to ward off infection was to avoid close contact with swamps and strange women, especially Ethiopians. A tea brewed with sumac root and scrapings from both pine and Spanish oak bark was a recommended remedy, plus pills containing two active ingredients: deer dung and turpentine. The understandably volcanic stomach reaction to these ministrations promoted recovery by purging offending biles and restoring the proper balance to the body’s humours.”

I have learned from my own personal experience that I will trust God with my health before the medical establishment, especially in the area of ‘vaccines.’ Let me ask you, ‘what is the driving force behind any invention?’ Money, of course. The workman is worthy of his hire, the Bible says. If, on the one hand, however; your initial motives to help relieve the oppressed and minimize suffering are swapped for greed and material gain, do you really anticipate God’s blessings?

While money falls into four categories, several remarks need to be made regarding electronic transfers and tokenized 'money:'

1. **BARTER**—You have something I want. In my mind, the value of the item you possess is greater than the value of the item I am willing to exchange. Both items in this exchange possess intrinsic value
 2. **(ALSO KNOWN AS COMMODITY MONEY) GOLD & SILVER COIN**—History has proved this is the **only** real, lawful money. The only authorized medium of exchange within our Constitution. It is the KEY to America's freedom. Cut off the phony fiat currency and the whole facade and pretense of the globalists comes crashing down.
 3. **FIAT CURRENCY**—Is a government forced and contrived medium of exchange with its tyrannical legal tender laws and Federal Reserve system of central, regional and local banks. Fiat currency can also be bank receipts that are in transition. Bank receipts become worthless paper when the value of that receipt drops to zero. At that point the bank receipt becomes fiat currency (worthless paper and ink or promissory note). *C.D.B.C. or Centralized Digital Bank Currency* is not money any more than bitcoin with all its black chain and back channel 'safe guards.' Fiat currency, currency a word coined by the Deep State and phony financial experts with their illegal moneychangers or currency exchangers, is nothing more than a hidden tax, not authorized by the tax-payer. Its wealth confiscation and reallocation from the Middle Class to the Deep State, Luciferian elitists is incremental, undetectable and therefore without public knowledge and consent.
 4. **FRACTIONAL RESERVE 'MONEY'**—Is a promise by a bank to pay depositors. You deposit \$100.00 dollars. The bank may or may not (usually not) keep your \$10.00 in the vault, investing the remainder of your \$90.00 in stocks, bonds, mutual funds and other venture capital enterprises, **without your consent of course**. This 1/10th of your original amount represents a fraction of the original deposit, hence fractional reserve 'money.' Banks are legalized money-laundering operations that Congress must cease from granting them cartel, most favored entity status.
-
- ❖ **ELECTRONIC TRANSFERS**—Once the substitution of phony Federal Reserve Notes has been accomplished through the replacement by gold and silver coin, the proper accounting and exchange of funds will naturally occur given free-market influences, as well as supply and demand pressures. **WE DON'T NEED TO RE-INVENT THE WHEEL NOR DO WE NEED ANY TRACE OF GOVERNMENT MANIPULATION OR INTRUSION INTO THE FREE MARKET!**
 - ❖ **TOKENIZED 'MONEY' (like poker chips)**—Token money has come into being because of the need for personal, financial privacy and the feds intrusive 'need to know' with their wicked and illicit system of the Federal Reserve, central banks, as well as the nation's regional and local network of innumerable banking cartels, and of course Federal Reserve Notes. With the re-introduction of gold and silver coin back into circulation, token money, with its personal safeguards, should no longer be necessary. Converting from funny money (government issued 'money') to Constitutional gold and silver coin, with the Feds practice of serial number tracking, similar to government gun registration, will be a thing of the past.

Allopathic, Integrative, and Naturopathic Medicine and their Differences

ALLOPATHIC MEDICINE—A purely mechanistic and shallow approach to the individual, allopathic medicine focuses on the flesh, blood, bone and sinew of man while ignoring the complete package—man’s soul and God-given moral conscience. Instead of exploring for a root cause or primary mechanism and origin of disease, allopathic trained doctors are often quick to suggest surgery, prescribe an oil-based pharmaceutical drug, or petition insurance companies regarding unnecessary procedures (e.g. painful mammograms) or in-office visits (wellness checks, ‘vaccine’ inoculations, flu shots or a yearly physical). While this is often labeled preventative medicine its motives, methods and results should be routinely and vigorously questioned or altogether avoided.

The allopathic business model involves:

- A dependent based-in-perpetuity patient ‘care’ approach
- A disease management methodology that ignores the more difficult and arduous pursuit of disease diagnosing while falsely accusing its opposition of quack, less expensive protocols, as well as non-patented natural, biological and homeopathic oral and topical options
- A pharmaceutical, non-synergistic industry of drug distribution that does not seek to cure the root cause of any disease, but rather is orchestrated to keep the patient on a prescribed drug for the rest of their life. This is what I call the non-curative objective of pharmaceutical drugs versus the curative approach of safer, proven and less expensive alternative medical protocols and homeopathic, plant based nutraceuticals
- While those schools through the 1910 Abraham Flexner report were rewarded for enrolling doctors with a strong clinical background emphasizing an inordinate affection for pharmakeia, as opposed to naturopaths offering practical, proven and safe medical protocols augmented by apothecary-type (plant based) remedies, Rockefeller set the stage from here on out for the future of health care in the United States

INTEGRATIVE MEDICINE—Like oil and water OR the Christian faith and the world, which NEVER mix by the way, integrative medicine attempts to combine the old with the new. Seeking to amalgamate the latest medical practices, procedures and progressive thinking, not necessarily proven to be advantageous to the patient, along with proven and safe alternative medical protocols, physicians are often viewed as cutting edge. I’m not opposed to new medical knowledge as long as the patient is ultimately seen as the triumphant and the patient weans himself from reliance on an orthodox medical establishment that is bound and determined to keep their patients in a state of dependence, ignorance, confusion (misinformation) and anxiousness (fearfulness). While integrative physicians may offer collaborative options, they have been severely brainwashed by their fellow colleagues, medical boards and professional associations to mirror the same corrupt business model as their allopathic counterparts

NATUROPATHIC MEDICINE—This view of the individual is what is termed wholistic. It incorporates man’s physical, moral and spiritual (biblically redemptive) components of personality. While each individual may not be ‘born again’ or “in Christ,” each individual is perceived as being unique with a distinct, gifted, fearful and wonderfully endowed immune system. Whether we are talking N.D. (Doctor of Naturopathic Medicine), D.O. (Doctor of Osteopathic Medicine) or D.C. (Doctor of Chiropractic Medicine) their business model involves educating their patients to the point where the physician is merely a reference source or point of contact and encouragement. The business model’s ultimate objective is to make the field of naturopathic medicine a patient-sourced and referenced, life-long learning experience. Those physicians truly seeking the well-being of their patients are the individuals, like doctor Luke of the Bible, who actually cultivated the concept of a bedside manner.

BIBLE APOTHECARY, OCCULT PHARMAKEIA, MEDIEVAL ALCHEMY

apothecary—First introduced to us in the King James Version of the Bible, the word apothecary defined an individual who used God's plants and followed a precise proportion or ratio of ingredients in creating the holy anointing oil, as well as the 'odor of God' that was burnt on the altar of incense in the holy place within the temple. This commitment to plant-based ingredients involving exacting plant-based ratios continues today in its purest form. The objective for the apothecary does not involve the isolation of a single ingredient, but rather its component parts working together mutually (synergistically) with the primary plant compound(s) to bring about an authentic and lasting cure.

pharmakeia—In [Galatians 5:20](#) the Greek word *pharmakeia* is translated into the King James English "witchcraft." In Revelation 18:23 the Greek word pharmakeia is translated "sorceries." While some may attempt to draw a distinction between modern day pharmacies with their pharmacists/chemists, the Bible is clear in its distinction between light and darkness in the realm of the spiritual, regardless of the sincerity, education, and intentions of the various players involved.

AL'CHIMY, noun [See Chemistry.] From [Webster's 1828 online dictionary](#)

"The more sublime and difficult part of chemistry, and chiefly such as relate to the transmutation of metals are gold, the finding a universal remedy for diseases, and an alkabest or universal solvent, and other things now treated as ridiculous. This pretended science was much cultivated in the sixteenth and seventeenth centuries, but is now held in contempt."

Galatians 5:20 (K.J.V.)

Idolatry, witchcraft, hatred, variance, emulations, wrath, strife, seditions, heresies,

Revelation 18:23 (K.J.V.)

And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee: for thy merchants were the great men of the earth; for by thy sorceries were all nations deceived.

CONCLUSION:

The Two Biggest Threats to Man's TEMPORAL EXISTENCE on this Planet: Collectivism & Government Issued, Fiat Currency

COLLECTIVISM—Stemming from the belief that men can become God (religion), collectivism is completely opposite the gospel of Jesus Christ, as well as the Bible's redemptive message. As one quickly discovers, the first type of collective established was conceived by Nimrod, offspring of Cush, grandson of Nimrod. Known as the Babylonian mysteries, its foundation is rooted in the elevation and worship of man, namely religion. We learn of this confusion or Babel from Genesis 11:1-9. While this Luciferian system operates and consists of the following, this list is by no means exhaustive.

SOCIAL ENGINEERING TECHNIQUES EMPLOYED TO ILLICIT A GIVEN RESPONSE:

1. guilt—A major behavioral modification technique, guilt was routinely used to manipulate members, as well as outsiders, through conformity to a larger group of like-minded (brainwashed) subjects. In contemporary terminology guilt is accomplished through two refined behavioral modification techniques:
 - *group dynamics*—The group, with its numbers and pressure, are used to intimidate, shame, and guilt the individual and ultimately bring about the destruction of one's individuality and uniqueness. Once accomplished, the individual is like everyone else and accepted into the conformity of the group.
 - *sensitivity training*—This technique seeks to create within the individual feelings of inadequacy and ostracism from the group. Before the individual knows it, they are admitting to things they never committed or thought.When referring to the social matrix and conformity observed within the demonic realm, this behavior is known as *the social memory complex*
2. shame—Utilized with the same degree of regularity as guilt, shame was another behavioral tactic that involves feelings of inadequacy. Inadequacy of course to the blind devotion, commandments and doctrines of men reflected in denominational leaders or sectarian figureheads who are to be worshipped and obeyed without question.
3. conformity—This homogeneity is of course never voluntary, but mandated, forced, and legislated. It utilizes guilt, shame, and ostracism. Don't forget the empty collectivist platitude:

“To each according to his ability, from each according to his needs.” Karl Marx

Upon closer examination of this collectivist drivel is the absence of individualism and the choice of the individual to voluntarily decline from participation. In a collectivist setting, the rights of the individual, as well as the individual themselves are suspended. No parallel can be drawn when talking about God's law. Divine natural law will ultimately weed out the rebels who are opposing God and his blessed economy currently. During Jesus' millennial kingdom, however, Christ and his elect will “rule with a rod of iron.” Conformity to collectivism is devotion to evil and perpetuated by the complicit, immoral behavior of the group.

4. hypocrisy—They falsely accuse others while doing it themselves, also known as, 'Do as I say, not as I do.' Could you really follow and respect someone who lives and expects to be treated differently than everyone else? This is THE FOUNDATION for the dual justice system we currently witness under the Biden administration. This disgraceful display of the human condition is rooted in the Babylonian mysteries, specifically, evolutionary thought.
5. fear—God's perfect love casts out fear. Those who live by it are tormented and subject to their masters, the globalists. Behind the lies of propaganda is the fuel of fear.
6. partisan—Mentally blind, enslaved and imprisoned, partial in judgment. Unjust and lawless, these Satan worshippers are completely void of a teachable spirit—'It's my way or the highway.' The partisan devout, and religious globalist is implacable, or beyond the capacity to petition for a reasonable appeal.
7. atheistic—Whether tacitly or overtly approving, every thought and action they commit will be brought to the light of Christ and his judgment.
8. shallow—Human worth based on outward behavior and appearance, not inward character and substance
9. evolutionary mindset—Man is no better than an animal. Promotes and practices abortion, eugenics, euthanasia, infanticide, child sex trafficking, organ harvesting, and adrenochrome harvesting through the 'vaccine' schedule implemented by the C.D.C. and the deaths of innumerable infants
10. deceitful—The Deep State must act this way, for if the conscience of the public were aroused, they would ask for biblical justice—hang 'em

CONCLUSION:

The Two Biggest Threats to Man's TEMPORAL EXISTENCE on this Planet: Collectivism & Government-Issued Fiat Currency

COLLECTIVISM—Stemming from the belief that men can become God (religion), collectivism is completely opposite the gospel of Jesus Christ, as well as the Bible's redemptive message. As one quickly discovers, the first type of collective established was conceived by Nimrod, offspring of Cush, grandson of Ham. Known as the Babylonian mysteries, its foundation is rooted in the elevation and worship of man, namely religion. We learn of this confusion, or Babel, from Genesis 11:1-9. While the following Luciferian framework operates and employs the following, this list is by no means exhaustive.

NOTE THE OPERATIONAL TECHNIQUES EMPLOYED:

1. **LEGISLATIVE SUBVERSION**—Elected officials of the people “reaching across the aisle” to compromise their principled constituency through double-speak, betrayal and the spoils of graft or bribery, thereby elevating their prideful reputation through money, fame, and power
2. **DESTRUCTION OF THE FAMILY**—Sit-come after television programming attacking the husband's biblical role as leader within his home and feminism with its destructive advocacy of women being just as capable to lead in the family as men
3. **DESTROYING THE ROLE OF MAN AND WOMAN**—Again, feminism leading the charge by teaching there are no differences between men and women—the concept of a uni-sex gender is advocated
4. **EDUCATION BY THE FAMILY REPLACED BY STATE RUN PROPAGANDA CENTERS**—Those involved in educating our children, while confessing their ‘Christian’ faith, are nothing more than pawns in a sinister subversion of our country's youth
5. **PRE-PROGRAMMING YOUTHFUL REBELLION**—Through state-run education, the technocrats and the entertainment industry have mocked parental authority as taught in the Bible.
6. **GENDER CONFUSION**—As long as L.G.B.T. (wokeism) is tolerated and taught anywhere, this national scourge will continue to corrupt this country's national conscience. The biblical legacy of Sodom, Gomorrah, Admah, Zeboim and Zoar, as well as the tribe of Benjamin (Judges 19:-16-30) should be witness enough of God's abject disgust for such complicity and promotion of reprobate behavior
7. **SILENCE THE OPPOSITION**—Remove the citizen's right to free speech. Make it ‘hate speech’ for anyone to expose the “unfruitful works of darkness.” (Eph. 5:11)
8. **INFRINGEMENT UPON CITIZENS' RIGHTS TO KEEP AND BARE ARMS FROM ENEMIES FOREIGN AND DOMESTIC**—Totalitarianism cannot succeed until this right is removed. “Gun violence” is nothing more than a Leftist ploy to remove the responsibility and punishment where it ought to be, ON THE CRIMINAL!!!
9. **SEPARATION OF POWERS BETWEEN JUDICIAL, LEGISLATIVE, AND EXECUTIVE**—This results when there is a uni-party in power and all elements have been captured and compromised by seditionists
10. **COMPLICITY WITHIN THE MALE LEADERSHIP OF THE FAMILY**—It's as fundamental as turning the television off or changing the channel when Hollywood assaults your God-given moral conscience. Failure to control your television viewing habits renders you complicit to evil and a hypocrite!
11. **CORPORATE CARTEL MONEY HAS BOUGHT MOST, IF NOT ALL, WITHIN CONGRESS**—The surest and quickest way to end the erosion and destruction of our country is to stop teaching collectivism, especially at the religious-church level, and return to Constitutional gold and silver coin. We must destroy the dollar with its illegal banking cartel headed by the Federal Reserve
12. **SEPARATION OF ‘CHURCH’ AND STATE**—Separation from our biblical roots has secularized this country and created confusion within our nation. It has opened the flood gates of every type of ism under the sun—from Romanism, to Protestantism, to Mohammadism (Islam), to Hinduism. Elevating the church of secularism or Nimrod IS THE NEW AGE RELIGION OF THE HUMAN POTENTIAL MOVEMENT—there is “nothing new under the sun.” Ecclesiastes 1:9—The thing that hath been, it is that which shall be; and that which is done is that which shall be done: and there is no new thing under the sun. (K.J.V.)
13. **STATE-CONTROLLED MEDIA**—Just as Simon the sorcerer bewitched his audience through sorcery in Acts 8, which involved casting down the truth and replacing it with a lie, our ‘free press’ routinely engages in such disgraceful behavior
14. **MEDICAL TYRANNY**—Just as the phony physicians of ancient times [bilked](#) the people from their hard earned savings, this practice has been refined by the orthodox physicians of today. There are three methods whereby these orthodox doctors earn their profit:
 - pill pushers (Pharmakeia kickbacks)
 - butchers (Instead of proven clinical and anecdotal results, many orthodox physicians recommend the more lucrative path of surgery, hospitalization or expensive drugs)
 - insurance scammers (With the latest Covid-19 scam, doctors were rewarded by insurance companies for C.D.C. death protocols administered on unsuspecting, non-compliant patients)
15. **SCIENCE “FALSELY SO CALLED”**—Holding science up to a vote or examining it through the lens of consensus is not science. The scientific method with its subjection to thesis, experimentation, refinement and conclusion produces observational evidence, facts and objective truth deductions that stamp it with the authentic seal of science

Psa. 58:3-5

The wicked are estranged from the womb: they go astray as soon as they be born, speaking lies.

4 Their poison is like the poison of a serpent: they are like the deaf adder that stoppeth her ear;

5 Which will not hearken to the voice of charmers, charming never so wisely.

Mark 5:25-27

And a certain woman, which had an issue of blood twelve years,

26 And had suffered many things of many physicians, and had spent all that she had, and was nothing bettered, but rather grew worse,

27 When she had heard of Jesus, came in the press behind, and touched his garment.
