N.E.S.A.R.A. & G.E.S.A.R.A.

National Economic Security & Recovery Act

Global Economic Security & Recovery Act

Internet silence for 10-12 days

U.S. RAINBOW TREASURY CERTIFICATES--The various U.S. denominations that will be backed by gold, silver & platinum reserves & printed by the U.S. Treasury

A 100 trillion-dollar Zimbabwe Zim Bond issued by the Bank of Zimbabwe, along with other foreign currencies, will be exchanged at redemption centers for either the 'special' or 'contract' rate, whichever is higher. The exchanged monies will go into your quantum access account

The following information was gleaned from: DavidXRPLion, Real Raw News, & American Media Group

The implementation of the E.B.S. will signal the visible end of the Deep State's stranglehold over the world as their lies, spanning millennia, are exposed. Brace yourself as the truth will shatter your fabricated views of reality. Consider this:

1. **A SPIRITUAL CONFLICT LIKE NO OTHER**—Nothing like this is suggested anywhere in the Bible other than Jesus' reference to wars and rumors of wars. This is a spiritual conflict between righteousness and wickedness, Christ vs. the elevation of man assisted by the powers of darkness. It is the elimination of mankind from planet earth versus the deliverance, preservation and prosperity of man.
2. **GEORGIA GUIDESTONES: A THING OF THE PAST**—The Deep State's 2030 agenda was designed to enslave all humanity, while the 500 million who remained after the 'final solution' of the Covid-19 bio-weapon, would serve the elite masters as cyborgs.
3. **LATTER DAYS, YES, BUT NOT AT THE DOOR**—As a student of Bible prophecy for 34 years, it is my belief we are in the last days; however, I am not convinced we are at the door of the next event revealed in Revelation 6, namely the cosmic disturbances and a massive earthquake bringing down the Dome of the Rock on Jerusalem's temple mount.
4. **DEATH KNEEL OF THE OLD INTERNET**—10-12 days of internet silence.
5. **THE REVEAL**—24-7 television revelations of Deep State lies, involvement, and actors.
6. **GOODBYE DUAL JUSTICE SYSTEM**—Televised equity¹ and justice dispensed to Deep State Luciferians at places like Gitmo (Guantanamo Bay), Diego Garcia, and Tierra del Fuego (tip of South America), as well as Antarctica.²
7. **MASSIVE ROUND-UP OF THE DEEP STATE**—During the 10-12 days of internet silence 400,000+ federal indictments will be issued to Deep State actors and their accomplices. The serious offenders who have committed

¹ A biblical term, equity means that God has set the punishment for the transgression. In this case treason and crimes against humanity are capital crimes punishable by death.

² Remember, Antarctica was the scene of a Nazi exodus after WWII. Admiral Byrd encountered heavy resistance and casualties from Nazi elements making Antarctica its new Aryan Atlantis. There are videos circulating on the internet revealing this harrowing military encounter.

treason and crimes against humanity will be privy to a necktie party at a designated tribunal location.

8. **BETTING IN ALL ITS FORMS IS WRONG**—After the E.B.S. is declared there will be a corresponding disappearance of the global stock exchanges and markets, as well as sports betting. Disposable and not so disposable income applied to the casinos will be funneled into more worthwhile human endeavors. Insider trading and information will give way to transparency, security and integrity as those addicted to such destructive behavior will get a new look into what is important, valuable, and can do the most good for the greatest number of people within their local communities.
9. **THE SWITCH TO 5D**—After the 10-12 days of internet silence we will switch to the new quantum internet. Goodbye cell phones and cell phone towers that emit harmful E.M.F.'s (electro-magnetic frequencies).
10. **WARTIME COMMAND STRUCTURE**—We have been under martial law the last four years with the intent of taking back our Constitutional Republic.
11. **SNOWFLAKES MELTHING AMONGST THE HEAT**—Much of what has not been visible (covert) has been done to prevent civil war, chaos, and emotionally unstable souls from 'losing it.'
12. **GOODBYE JOE, HELLO ARTHUR**—The real Joe Biden was executed for high crimes and treason on Jan. 20, 2020, and the actor Arthur Roberts installed as a replacement and puppet.
13. **COMPENSATION, RESTITUTION, RESTORATION**—After the 10-12 days of internet silence Wells Fargo will send a text to each American telling them the time and place of a redemption center appointment. If you have any questions at this time about the redemption center and the activity within the redemption centers, you need to ask it then. This will be your only opportunity!
14. **GET RIGHT WITH YOUR CREATOR**—Nine stations will be housed at the redemption center where your intentions and personality are laid bare. It is here that your individual frequency, vibration and energy fields will reveal your true character,³ hence the name redemption center.
15. **MILLENNIAL RESTITUTION**—At the redemption center you will exchange your Federal Reserve currency, as well as any foreign currencies (Dong,

³ Peace, contentment, godly purpose, and harmony with one's God-given moral conscience OR unforgiveness, bitterness, hatred, variance, strife, occult participation and involvement, masonic membership, hypocrites, and those who love and make a lie

- Bolivar, Dinar, Zim Bonds) for the contract or special rate, whatever is higher. Once the currency exchange has been made, you will receive a commensurate amount in your quantum access account
16. **LOOSE LIPS SINK SHIPS**—Silence about your newly acquired funds will require you to sign a 3–4-page Non-Disclosure Agreement (N.D.A.). You are to remain silent about your funds for 90 days or 3 months. Any violation of this agreement will result in a complete loss of the individual’s newly acquired wealth
 17. **GOODBYE FINANCIAL MIDDLEMAN**—You will receive a quantum access-account card unique ONLY to you. You will be able to execute all financial transactions through your quantum phone that will be issued to you
 18. **CAN YOU SAY QUICK**—Your quantum phone will operate at speeds unseen and unheard of previously from the old iPhones or Samsungs. Your phone will have an average storage capacity of 1 TB and a photo resolution of 256K pixels
 19. **P.O.I.L.’s**—You should be able to obtain proof-of-income letters at the redemption center for future purchases of considerable size and expense—a car, vacation, boat, a motorhome, a house, etc.
 20. **DO UNTO OTHERS AS YOU WOULD HAVE THEM DO UNTO YOU**—You will also be allowed to submit your *Humanitarian Initiative Trust* when you are at the redemption center. The template for this incredible way to bless others, while realizing a life-long dream, can be obtained by acquiring the template from DavidXRPLion on X. Instructions on how to fill this out can be found there also
 21. **TAXING INVENTIVENESS, INNOVATION, AND CREATIVITY IS EVIL**—A 14% consumption tax on new items will be assessed. The feds will get 7% while the states, counties and cities are to receive 7%. It is immoral to tax production, which by the way the Deep State⁴ has been doing for a long time
 22. **PRECIOUS METALS VALUE THROUGH THE ROOF**—There will be a window of 5-7 days, possibly after a visit to the redemption center, where possessors of physical gold, silver and other precious metals will be able to redeem these commodities at a redemption center for top dollar. Again, any exchange of these precious metals will be reflected in one’s quantum access account. The U.S. Treasury will be the primary minter of gold and silver coin along with the U.S. Rainbow Currency certificate.

⁴ The Bible refers to these swindlers as moneychangers (Matt. 21:12; Mark 11:15) and bankers (Luke 19:23)

- Many gold and silver dealers will disappear. It is possible some of the private mints will remain operational
23. **THANKS ELON⁵ AND STARLINK**—When a financial transaction is made anywhere in the world there will be no latency on its reflection in one's quantum access account. Latency will give way to immediacy. A fact made possible within the realm of 5D and the reality of Starlink and its bevy of thousands of satellites
 24. **BLOCKCHAIN: A TECHNOLOGY IN THE MAKING**—All financial transactions will be immediate, recordable, transparent, and secure through blockchain technology
 25. **JEWISH BABYLONIAN KHAZARS**—The decades long propaganda satellites of the Kabbalistic Mossad will be destroyed. Remember, we are not against the Jewish people but their corrupt Khazarian leadership,⁶ namely Netanyahu⁷ and possibly many within the Israeli Knesset
 26. **TRUTH IS STRANGER THAN FICTION**—The liberal media outlets, academia, 'science,' 'scientific' journals, Hollywood, entertainment, and other forms of propaganda and sinister narrative formulators will be replaced by truth tellers, digital warriors, conservative news platforms, and other objective news reporting ventures
 27. **REDUCTION OF THE GOVERNMENT LEVIATHAN**—Government will be reduced by 90%, while all government employees will no longer be entitled to bloated pension programs and cushy medical insurance plans for pennies on the dollar. This unsustainable coverage heretofore granted to government employees, will now find they will have to compete not only for their jobs like those in the private sector, but will also pay what those in the private sector pay
 28. **LIGHT OF HUMAN D.N.A.**—Photonic light technology will make computer hacking a thing of the past, while making financial transactions, safe, transparent, and secure
 29. **FINANCIAL INTEGRITY**—Quantum technology was specifically designed with the financial security and parity of nations considered, the financial freedom and potential of individuals in mind, and cross border

⁵ The old Elon Musk has been executed as he was one of many tech guru's that was extremely Left leaning. The current Elon body double is an American patriot.

⁶ The Balfour Declaration, drafted by the Rothschild family and introduced into the anti-American U.N., established the nation of Israel in May of 1948

⁷ Many of the Deep State politicians, including Netanyahu, have already been executed. Body doubles have been installed to continue the pantomime just a little bit longer.

transactions assured through transparency, security, and immediate time-stamped/recorded receipts

30. **GOODBYE ROCKEFELLAR ALLOPATHIC MEDICAL COMMUNITY**—Med-beds will replace Big Pharma, the sinister ‘vaccine’ industry, and much of the allopathic medical community.⁸ Three types of med-beds (holographic, regenerative, and regressive) will treat and cure virtually every ailment the mainstream medical community has kept us in bondage to (disease management vs. disease identification and elimination)
31. **CRIMINALS WILL NOT ABIDE BY BASAL III BANK REGULATIONS**—All financial institutions will take on a new appearance or be rendered unnecessary in this renaissance epoch in which the old paradigms and traditions disappear and the new emerge. The one constant in life is CHANGE. Those that refuse to embrace the transformative quantum system will struggle
32. **SECULARISM UNMASKED**— The Enlightenment and consensus ‘science’ will give way to a new interest and emphasis on biblical creationism. Assumption, prognostication, and forecasting, will give way to empiricism, factual observation, and the scientific method
33. **WILL PUBLIC EDUCATION SURVIVE?**—The liberal National Education Association (N.E.A.) and Jimmy Carter’s Department of Education will disappear as power is decentralized from Washington and given back to the parents and local communities. Educational options will be provided to parents, while school vouchers will give parents a variety of choices such as a Trump tax free educational academy, charter schools, home schools, private schools or those public schools⁹ that must compete and survive on a 7% consumption tax
34. **AN UNPARALLED EXPLOSION OF TECHNOLOGY**—The release of 6,000+ patents made available to all people, will usher in a technological revolution unlike any the world has ever seen. These technologies will eliminate famines, pestilences and other scourges we have been told, convinced, and brainwashed are impossible to eradicate.

⁸ Trauma care will be about the only reason to keep hospitals and emergency vehicles and personnel around.

⁹ Like any business, schools and the product they produce, in this case graduates, must be examined in light of their benefit or liability to society. Whatever happened to reading, writing (composition & penmanship), math, history, the Bible, critical thinking, and Constitutional law. The students coming out of school today have been taught to hate America, confused about their gender, and lack many of the basic skills their competent and successful predecessors possessed.

35. **N.E.S.A.R.A. & G.E.S.A.R.A.**—The implementation of the E.B.S. will signal the military's commencement of the National Economic Security and Recovery Act (N.E.S.A.R.A.) for America, while the rest of the planet will experience the Global Economic Security and Recovery Act (G.E.S.A.R.A.). The activation of these Starlink satellite operations will signal the visible demise of the Deep State financial octopus. Consider the following:
- **GOODBYE MILITARY-INDUSTRIAL COMPLEX**—the Deep State's unbacked fiat currency to disappear. This will also eliminate a sinister behemoth of dark money going to black budget operations
 - **WELCOME QUANTUM INTERNET**—the multitude of manipulative electronic transactions via a hackable internet to disappear. Gone are the days of distinct 1's & 0's. Hello to unified 1's & 0's that work in tandem, seamlessly, and at speeds never fathomed before
 - **REJECT BASAL BANKING REQUIREMENTS**—majority of money laundering, fractional reserve banks to disappear
 - **GOODBYE COMMITTEE OF 300**—the Federal Reserve to disappear
 - **THE FED RESERVE'S UNCONSTITUTIONAL THIEF**—the I.R.S. to disappear
 - **GOODBYE INSIDER TRADING AND MANIPULATION**—global stock exchanges (casinos) to disappear
 - **RIDDING OUR PLANET OF ANY AND ALL COLLECTIVIST BODIES** W.E.F. & the I.M.F. (the International Monetary Fund) to disappear
 - **RECLAIMING OUR AUTONOMY, INDIVIDUALITY, & CHOICE**—the 'vaccine' industry to disappear as it has targeted and destroyed our God-given immune system
 - **ELEVATING NATURAL REMEDIES, TREATMENTS, & PROTOCOLS**—big pharma to disappear
 - **MED-BED REPLACEMENT**—the bulk of the allopathic medical community to disappear (except possibly trauma care)
 - **OBJECTIVE TRUTH REPLACES PROPAGANDA**—the Kabbalistic Mossad media propaganda satellites to disappear
 - **SHADOW GOVERNMENTS EXPOSED & ERASED**—Deep State governments worldwide to disappear
 - **BAIL SYSTEM THAT ENRICHES A CORRUPT JURISPRUDENCE** American Bar Association and the vast corruption within civil law to disappear

- **LONDON'S MARITIME LAW**—the law of the sea to be replaced by the U.C.M.J. (Uniform Code of Military Justice)
- **GREATEST TRANSFER OF WEALTH**—destroy the Luciferians, pedophiles, and inbreeders that have gained their wealth through unlawful and despicable means, while repatriating it and transferring it back to the people they stole it from
- **WARS**—imperialism¹⁰ and hegemony¹¹ with their unlawful expansion and control over other sovereign nations through financial and military intimidation without their approval or consent will disappear. Goodbye C.I.A.! The financing of both sides of a conflict will end the financial enrichment of those that love death and money

Author's Brief Comments About Trump

A number of people within the conservative movement who were once part of Trumps' base, have abandoned their support because they fail to recognize a principle taken directly from the Bible and Jesus himself. This principle is to extend grace and mercy to your enemies (Judas Iscariot), while seeing if they will convert to your righteous lifestyle, beliefs, conduct, and platform.

Having access to any and all intel available at his fingertips, Trump is not taken by surprise with any of his cabinet appointees . . . From Dr. Oz, to Tulsi Gabbard, Vivek Ramaswamy or Robert F. Kennedy Jr., and other Deep Staters. Do you know where those who were thrust into the public eye by Trump's *Project Warp Speed*? They betrayed their Constitutional oath! Barrack and Michael Obama, Joe, Jill and Hunter Biden, Bill and Hillary Clinton, Bill and Melinda Gates,¹² Francis Collins, Anthony Fauci, and Debra Birx are 6 ft. under. They have been executed for treason and crimes against humanity! No need to worry. If Trump's current cabinet appointees want to remain in good health they will 'play ball' with Trump.

Donald Trumps' Comments on the 'Jab'

I realize Trump was instructed by the military to tone his rhetoric down regarding the 'vaccine' issue. He complied with the military's request in spite

¹⁰ Territorial acquisition of another country.

¹¹ A preponderance of influence over another culture or people through technology, ideology, commerce, religion, finance, corporate presence or a distinct government construct without the consent or representative approval of the people.

¹² In 2013 Bill and Melinda Gates were hung by Indian nationals as they wickedly 'vaccinated' Indian children in the name of 'advanced medical science.'

of the fact he was speaking in code using the word vaccine in reference to an impotent organism that would, once inoculated into the patient, cause an immune reaction increasing T-cell production and white blood cell multiplication.

In Trumps' Bill O-Reilly interview, where Trump said he had received the vaccine, and that it would save lives, this was in reference to his receiving an anti-body enhanced treatment. Trump said this treatment, if made available to others, could benefit them as it had Trump. My argument is that by the time he gave this interview, Conservatives who did not realize he was speaking in code, knew the dangers about the Covid-19 inoculation. And the Liberals who attended his rallies because of their clandestine hatred for Trump, would never do anything the former Commander-in-Chief suggested. He did not 'move the needle' of public opinion in either direction . . . No one ran out and got the 'jab' because Trump said so!

Finally, for those who abandoned our Commander-in-Chief Trump because they thought they knew more than he did when it came to the 'vaccine,' should be ashamed of themselves. The president who has access to the most top secret and classified of information knew less than the Joe on the street . . . I hardly think so. The conclusion regarding Trump's comments on the Covid-19 bio-weapon must be examined in the following light:

1. Sane leader of the free-world—Having access to the true dangers of the military grade bio-weapon, while receiving an anti-body enhanced inoculation himself, Trump knew the true efficacy and safety of the treatments the lame-stream media refused to acknowledge. We have Big Pharma, the 'vaccine' industry, hospitals and their administrators, doctors, nurses, state medical boards, the A.M.A., 'medical' journals, politicians, and the mainstream media, to thank for the horrific propaganda and harm inflicted on billions worldwide as their 2030 agenda plan was unleashed. We can blame this conspiracy as they mocked, disparaged, silenced and censored every effort to get the real truth to the public. Committing crimes against humanity, everyone involved should be made to answer for the harm and murder to millions!
2. Lunatic—Trump, in spite of all the evidence to the contrary, willingly received the 'jab' knowing the dangers it would pose to him . . . Even the reality it could kill him or permanently disable him the rest of his life.
3. Liar—Purposely knowing the harm and death this 'jab' could bring, Trump would clandestinely become the most successful pawn of the

Deep State undoing the previous four years of his presidency. Trump would go down in history as the most underhanded leader ever. You can see the insanity of such an asinine and ridiculous assertion.
