

ARRESTS, TRIALS & EXECUTIONS OF DEEP STATE OPERERATIVES

God's Equity on Traitors

ABSTRACT

As with any information circulating on the Internet & given President Trump initiated Marshall law before leaving office (E.O. 13848) in 2020, it is incumbent on the objectivist to exercise discernment when evaluating whether certain individuals could successfully be replaced by the White Hat military alliance or not. Examples would be Elon Musk, Vladimir Putin, Kim Jon Un, & Xi Xing Ping. Finally Trump's 'Capitulation Tour,' targeting certain key global players, was sufficient enough to enable White Hat covert operators to advance our Constitutional Republic & freedom worldwide in spite of Deep State opposition & propaganda. On the other hand, knowing the liberal mindset, it would be easy to replace most progressives, given they function as though they have no moral conscience.
