Dear Parent

We extend a warm welcome to you from the Mini Kids team. It is an immense privilege for us that you consider us to be able to guide your child to develop and shape to their full potential. Our motto is to learn, play and grow together while promoting a clean and safe environment to do so. Our friendly staff are always ready to help and make a positive impact wherever they can. We are a firm believer in consistently providing excellent service and treating each child individually as if they were our own. Our goal is to help your child reach their full potential across all aspects of physical and intellectual development. We eagerly look forward to your little one's journey with us!

Who we are?

Mini Kids Centurion is a Christian school located in the heart of Wierdapark, Centurion. This value system forms the basis of our teaching. We are a dual medium school and classes are presented in both Afrikaans and English.

We take great pride in our school's neatness and hygiene and aim to be a home away from home for all our toddlers when Mom and Dad must fulfil their work obligations.

Our day care centre is thrilled to provide a fun-filled playground that caters to children of every age group!

Come experience our lively classrooms, where imagination thrives! Each space is filled with elements to spark toddlers' creativity, and you'll find a friendly Teacher and two supportive Assistants in every room, ready to inspire and guide.

We emphasize the importance of teachers forming personalized connections with each child, creating an environment where every child can thrive and grow.

We also highlight the importance of our teachers building transparent and dependable relationships with each parent. At Mini Kids Centurion, we wholeheartedly endorse the PRACTICA educational system and utilize it as a framework for our weekly in-class activities to prepare our students. We strongly believe that children learn through play.

We concentrate on developing gross motor skills, fine motor skills, social skills, and emotional growth in every child under our care.

Safety and security

Mini Kids is fully equipped with security cameras on site as well as around the premises. The school has double security gates at our main entrance which are handled solely by our staff. Our staff receives each child in person upon arrival and also personally gives off each child in the afternoons with departure time.

How does our daily program work?

Mini Kids follows a well-structured programme that is followed daily to ensure that our toddlers receive the necessary practical and academic activity time. Opportunities are created during the week where teaching can take place in all the development areas.

Parents receive a one-year programme in their communication books that stipulate all the themes covered throughout the year, we focus on each theme on a weekly basis.

Assessment and Reports

Mini Kids conducts assessments with our learners continuously throughout the year and then issues quarterly progress reports to the parents so that each child's development and milestones can be monitored on all levels.

Extracurricular activities

Extracurricular Activities include

Times

Staff will be on duty from Monday – Friday: From 06:30 – 17:30 NO parents will be allowed access to the property before 06:30.

Upon arrival, parents should hand over their child to the caregiver at the front door. After that, their breakfast will be served at 8:00 a.m. and the daily program will begin.

PLEASE NOTE:

Parents will need to notify management/the school in advance if someone else picks up the child from the school who is not listed as someone who may pick up the child.

Management will require a written letter, signed by the parent, with a detailed description of the person and, if possible, a photocopy of their ID.

Any parent who collects their child later than 17H30 will be charged a fine of R100 per child for every 15 minutes or part thereof they are late, which is CASH payable upon collection.

Absence

Parents should notify the Management of Mini Kids if any child is absent due to illness, hospitalization etc...

Cancellations

For the cancellation of any child, management will need a written request and a month's notice. If this is not possible, 1 month school fees must be paid in place of the notice, this is not negotiable.

Sick children

A child who has any of the following illnesses will not be allowed on the school grounds. These include but are not limited to Chickenpox, Mumps, Measles, German Measles, Rubella, Scarlet Fever, Hepatitis, RS Virus, tonsillitis, Gastro, High temperatures, vomiting, diarrhoea, severe headache, LICE.

Mini Kids has a first aid facility that is only for treatment purposes if a child is sick. Please note that the facility is simply a form of observation for a sick individual waiting to be collected.

A parent will be notified once a child has been sent to the office due to illness.

Management will then contact the parents to arrange the collection of the sick child. Please note that sending a sick child to school poses a great risk to the child, teacher, other learners, and our staff.

DO NOT bring your child to school if he/she suffers from any of the above.

No child should be at school for the first 3 days of antibiotic treatment.

Please remember

Notify management immediately if any personal or contact details have changed. Please be so kind as to return any toys or items in your child's bag that do not belong to your child.

Mini Kids Are Closed

The school closes each year for the December holidays and reopens in early January.

If a holiday falls on a Tuesday or Thursday, school will also be closed the day before/after.

Here is where tiny footsteps make lasting impressions...
