"I SHALL NOT PASS THIS WAY AGAIN"

Through this toilsome world, alas!
Once and only once I pass;
If a kindness I may show,
If a good deed I may do
To a suffering fellow man,
Let me do it while I can.
No delay, for it is plain
I shall not pass this way again.

"We are enjoying living on a 230 acre Missouri cattle farm and have in the last couple of years had fun swimming and fishing (my boys fish) in the 3½ acre lake which we developed on the land. I also keep busy with travel because my family (2 boys) loves to use the passes available to us through TWA. This summer the four of us did some canoeing on the Current River, hiked to Horn Peak in Colorado and enjoyed having California company. This winter it was especially fun to see Julia Shephardson (Miano) at the Tucson Airport, quite by accident. It was good to catch up on her activities and I am looking forward to reading the Reunion Booklet.

"Ken and I have 3 children: Kristina is 8, Kirk is 6 and Sarah is 2. We are actively farming in the Swan Lake Valley and at the present moment trying to beat the unpredictable Klamath Basin weather in our grain harvesting operations. Our lives are kept busy with different Agricultural groups that promote to educate the public in our affairs and problems. We traveled this summer to Iowa to a farmers meeting.

I am active in school affairs and our Lutheran Church in town. My pet project is a group of us "gals" meet once a month to exchange Christmas decorations ideas. During the other months, we enjoy other craft ideas."
