

2026 Sponsorship Packet

Thank you for your interest in supporting Blackbird Quarter Midget Race Club, Delaware's only **NASCAR Youth Series** Dirt Quarter Midget Track located in New Castle, Delaware.

Dirt Track racing has been a part of Delaware history for many years, with quarter midget racing beginning with a 1/20th dirt track operating in the infield of Airport Speedway from 1985-1989, where our club was born and became known as *Blackbird*. In 1990, the dedicated Quarter Midget dirt track we now call BQMRC was built in the rear of Airport Speedway and has raced in this location for the past 34 years and counting.

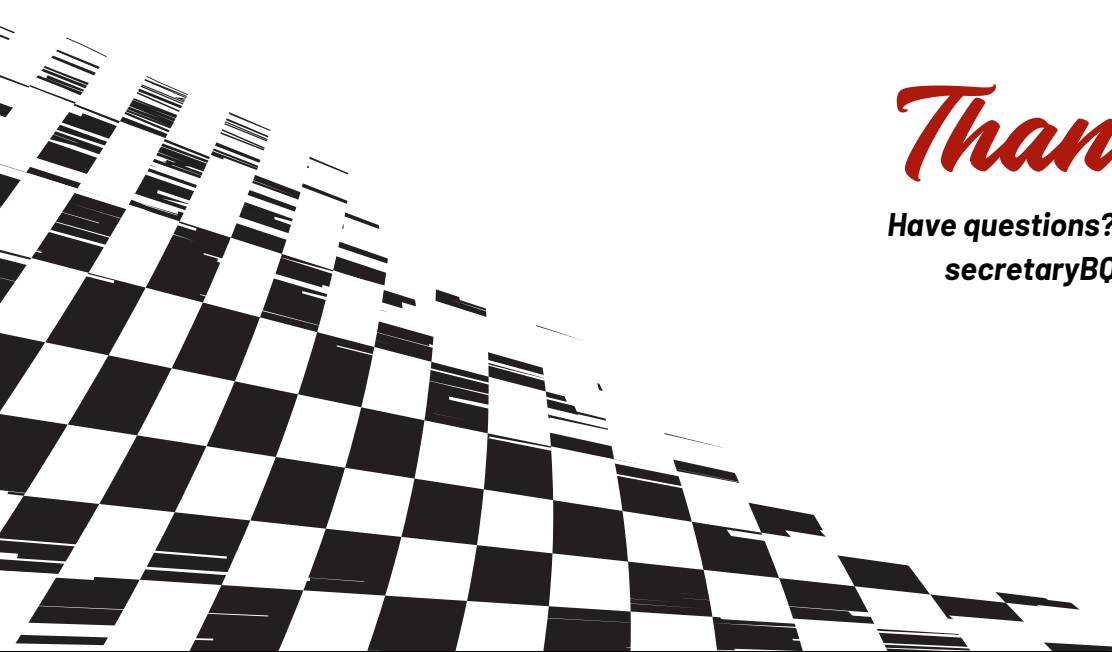

This is a family oriented sport that teaches children not only the love of racing but the value of sportsmanship, teamwork, and community. Our drivers range in ages 5-16 years. Families from all over the tri-state area turn out every weekend, from May-November, to watch these kids race their hearts out. This is a competitive and expensive sport to participate in that includes National and Regional level events, some of which are hosted right here at Blackbird.

Please review our sponsorship packet and consider making a tax-deductible donation via sponsorship today. Your support allows our non-profit to continue it's operations and welcome families from all over the area on a weekly basis for old-fashioned competitive sportsmanship.

For a detailed description of our packages please visit us online at BQMRC.org. Attached is an overview of all the amazing benefits and marketing efforts your business will receive.

Thank you!

Dear Community Member,

I am reaching out on behalf of Blackbird Quarter Midget Race Club, Delaware's only NASCAR Youth Series Dirt Quarter Midget Track located in New Castle, Delaware. We are a 501(c)(3) organization, Tax ID#82-2982517.

Dirt Track racing has been a part of Delaware history for many years, with quarter midget racing beginning with a 1/20th dirt track operating in the infield of Airport Speedway from 1985-1989, where our club was born and became known as Blackbird. In 1990, the dedicated Quarter Midget dirt track we now call BQMRC was built in the rear of Airport Speedway and has raced in this location for the past 34 years and counting.

This is a family oriented sport that teaches children not only the love of racing but the value of sportsmanship, teamwork, and community. Our drivers range in ages 5-16 years. Families from all over the tri-state area turn out every weekend, from May-November, to watch these kids race their hearts out. This is a competitive and expensive sport to participate in that includes National and Regional level events, some of which are hosted right here at Blackbird.

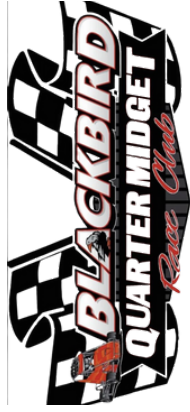

We are seeking donations in the form of product, gift certificates, or monetary donations to be used for fundraising raffles this October for our annual Spookapalooza weekend long event, as well as our Annual Driver's Awards banquet. Each event has an average attendance of over 200 guests. All donations can be picked up at your location or mailed to 17 Casselberry Drive, Audubon, PA 19403.

Thank you for considering our request.

With Gratitude,

**Chelsea Hinrichsen
Blackbird Quarter Midget Race Club**
