A Council Motion was presented, seconded and passed for the following:

The Stewardship Committee recommended for undesignated outreach dollars and end year profits to be distributed as follows depending on KRLC Council approval.

1. As of today, there is \$3,125 undesignated outreach dollars.
2. As of today, there is approximately \$10,000 designated as profit. This number will likely increase as year end calculations are finalized. 10% of year end profits will be added to the undesignated amount and distributed.
3. Note that once a pastor has been hired and we see economic trends related to other church expenses we will have a clearer idea as to the 2026 budget. At that time we will look at the remaining 90% of 2025 profits to recommend additional outreach distributions.

The recommendation we are voting on , , , in the form of a motion is:

50% of available dollars to LSS Center of Changing Lives

\$500.00 to Lake County DAC

Remainder of undesignated and the 10% profits to Gods Barnyard - animals.

The above motion passed with 100% Council Approval.
