

MANITOBA HANDBALL NEWSLETTER

Summer recap

The junior summer camp led by coach Ethan Baranyk went smoothly throughout July, August, and September with the weather holding up for the most part. With 15 athletes signed up, we were able to host a several great sessions with the last one on court at Red River providing a coed scrimmage. A great learning experience with hopes to improve next year.

Handball MB AGM

The new and improved Handball MB hosted the Annual General Meeting at Dakota Community Centre on September 27th where the new directors who were nominated and voted in last season were introduced to a group of around 15 attendees. Minutes will be available soon on the organization website under About Us > Governance.

Mini-Tournament & Refresher Clinic

The first-ever scramble mini-tournament went incredibly well with 22 athletes for the clinic and over 50 for the tournament making 3 men's teams and 2 women's teams. A wide range of skills and experience came out to learn including a large exchange student demographic with at least 11 young men and women from Germany, Italy, and Spain! The event was a great experience and landed the League with an opportunity to add a new women's team for half the WTHL season

Upcoming Events

- October 19th WTHL Starts
- November 2025
Provincial team practices start.

CTHF Membership Update

CTHF sent out a membership update mid-October, the files have been attached to this email (in French and English). Most notably they announced Junior and Senior national tournaments to be held in Edmonton in May 2026.

2025/26 WTHL Season Opener

The 25/26 season kicked off this past weekend back at Red River. Things are sure to get shaken up a bit with a new high school boys team and potentially a new women's team added to each division this year. The schedule is posted and the teams are in, see more at the WTHL website.
