

# 2025 STUDIO INFORMATION

At Jodi's Dance Company you will find a fun yet professional atmosphere. You will hear the students calling it their "Dance Family" or their "2nd Home".

Our renovated studios provide a beautiful space for the students to train in, including a purpose built acro room. Our waiting room for parents is inviting, while the students have their own locker room for their bags.

Students at JDC can attend classes for fun & recreation, or they can train in our elite stream which involves competitions for students more serious about their training. Jodi's Dance Company has had several students go on and be accepted into fulltime training at Brent street, Dynamite Dance studios, Lee Academy, Village Nation & Jason Coleman's Ministry of Dance.

Whether training recreational or elite, all students matter & are a valued member at JDC. Staff at JDC want to be involved in your child's growth as a dancer.
