

BYJW

Welcome to Spa by JW.

We are a spa that asks more of our guests. We ask that you spend more time with us than only for your spa treatment, so that you have the opportunity to experience all the amenities that our spa has to offer.

We ask that you try new things that will increase your personal wellbeing.

We ask that you start your spa experience by joining us for our daily morning meditation and yoga class on the beach at 7:30 am.

We ask that you stay after your spa day and watch the sunset from our beach.

And while you are not obligated to do anything in our spa other than relax, if you take advantage of all these complimentary offerings, then your wellness can truly happen.

Spa by JW delivers treatments that are tailored to your exact needs and focused on delivering four distinctive benefits: Calm, Nourish, Invigorate and Renew.

So whether you're fatigued from a long journey or simply desire a well-deserved retreat, we provide a personalized spa experience that's as effortless as it is rewarding.

Begin your journey with your desired results in mind.

CALM

Reset for a moment of serenity. Find your center by slowing down time, so you're ready to take on whatever comes next.

NOURISH

You deserve the best. For all that you do, take time for some special nourishment. After all, life's simplest pleasures should not be forgotten.

INVIGORATE

Stress takes its toll. Embrace your own vitality by replacing what's been lost, enlivening your body and clarifying your mind.

RENEW

Unclutter your mind and body. Our busy lives often leave little room to focus on ourselves. Cleanse and purify to gain absolute clarity.

CALM

So much is expected of us — to be brilliant, be ready, be connected. Why not just be? We take the idea a step further, removing distractions and excess to create an environment of simple tranquility.

Our signature treatments oblige with a calming effect. Let Spa by JW slow your world down, for as long as you like.
