

Welcome to the Most Worshipful Prince Hall Grand Lodge Province of O.N.J. Web Page

A Message from the Most Worshipful Grand Master

My Dear Brothers, Prince Hall Families, Friends, and Visitors:

It is with great humility and gratitude that I welcome you to the official website of our Grand Lodge.

As your Grand Master, I am honored to serve this historic institution and the brothers who have entrusted me with this responsibility. Our Masonic journey is built upon the timeless principles of **Brotherly Love, Relief, and Truth**, and our work must continue to reflect these principles in our Lodges, in our communities, and throughout the world.

This website is more than a place for information. It is a window into who we are, what we believe, and the work we are committed to doing. It is my hope that every brother will find resources here that strengthen his Masonic journey, and that those who are visiting for the first time will discover something that inspires them to learn more about our great Fraternity.

Our administration is committed to **reclaiming, retaining, and welcoming new members; strengthening our Lodges; supporting our communities; developing the next generation of Masonic leaders;** and building meaningful relationships with organizations throughout our communities and the wider Caribbean and the African Diaspora.

A vital part of that commitment is our responsibility to **Relief**—not merely as a principle we speak about, but as a principle we demonstrate through action. We will continue to support efforts that improve the lives of others, including our commitment to **raising awareness and providing support in the fight against Sickle Cell Disease**, particularly as it affects children, families, and communities within our broader.

We are equally committed to investing in the future through education. The **Prince Hall Family Youth and Education Fund Scholarship** represents our belief that education is one of the most powerful ways we can strengthen our young people and prepare them to become the leaders, professionals, and community builders of tomorrow. By supporting our youth today, we help build a stronger community for generations to come.

These commitments reflect the very essence of our obligation as Masons: **to serve, to uplift, to educate, and to leave a positive mark wherever we are called to labor.**

We must never forget that Freemasonry is not simply about occupying an office—it is about **service, character, brotherhood, and leaving the Craft stronger than we found it.**

As we begin this new Masonic year, let us move forward together, united in purpose and guided by the principles upon which our Institution was founded.

Let us bring **Light** into our Lodges through knowledge and brotherhood; **Light** into our communities through service and compassion; **Light** into the lives of our youth through education and opportunity; and **Light** to those affected by Sickle Cell through awareness, support, and hope.

Let there be Light in our Lodges, Light in our communities, and Light in the lives of those we are called to serve.

FIAT LUX — Let there be Light.

Fraternally,

**The Most Worshipful Grand Master
Most Worshipful Prince Hall Grand Lodge of Ontario and Jurisdiction**

Tyrone Edwards.
