The first question is do you have the time after work and family obligations to make a strong commitment to this community and department? This is a teamwork profession, the success or failure of our mission; "The prevention and suppression of fire and the protection of life and property" is directly related to the level of commitment each team member has.

Becoming and being a member of a volunteer fire department is not easy and can be difficult to maintain. Initial training is very cumbersome, it consists of but not limited to the following: **32 hr** Emergency Vehicle Accident Prevention, **4 hr** Infectious Disease, **12 hr** CPR for Health Care Providers, **12 hr** First Aid, **16 hr** Hazardous Materials, **190 hr** Firefighter 1, **225 hr** Emergency Medical Technician.

Because we have a low call volume ongoing weekly training is paramount to keep up on skills from a safety standpoint alone and requires a long-term commitment to weekly training attendance. If you do not have the time after work and family obligations or the desire to make such a commitment, you might want to rethink this application.

Read this application thoroughly and carefully before completing. Fill out this application entirely. Only a "Hand printed or typed" application will be accepted. There are several parts that require initials, signatures, witnesses and notarization. Filing a false statement is a crime and misrepresentation of any kind will be cause for dismissal and possible legal action. If you are accepted and subsequently it is discovered that an application was filed with errors, or a problem with information provided, is discovered, you may be suspended in the future. When submitting this application, bring your Driver's License, Social Security Card and High School diploma or GED so we can make copies for your file.

Continue to attend and observe training nights. We will try to involve you when it is appropriate. Background checks are obtained through the Sheriff's office using the Concealed Pistol License (CPL) process. If you cannot obtain a CPL, it is unlikely acceptance will be granted. In addition, you will be drug tested at the time of your pre-employment physical.

After the application is submitted and reviewed, you will have an interview with the Chief. Another meeting will be held with you and your spouse or significant other so they understand the commitment you are making and the impact it may have on them. Following the interview and meeting, you will receive a packet for a pre-acceptance physical and instructions to apply for the CPL. It is your responsibility to schedulable these appointments in a timely manner. The cost of the physical is paid for by the Department. You must submit the receipt for the CPL to be reimbursed.

After we receive your physical clearance paper work and the CPL, a final interview with the Chief is required before acceptance. Once accepted, you will go in to start your vaccination series, blood work and chest x-rays. A 30 hour orientation class will be scheduled at our earliest convenience at the end of which you will be issued a pager and be able to start responding to calls.

WORKING CONDITIONS:

Work is performed in the fire station and the surrounding district area, with required response time to emergencies as they occur. Firefighter EMTs work in dangerous conditions including unstable structures, fire-ridden locations and accident scenes. Traffic, weather and hazardous materials also contribute to the unsafe working environment. Firefighters EMTs are exposed to physically and mentally stressful situations, including trauma, illness, death, contagious diseases, cramped surroundings and contaminated environments. Work involves responding to emergency calls in inclement weather, with temperatures sufficiently low or high enough, to cause marked bodily discomfort/reactions. Frequent encounter with vibration/noise exceeding 80 decibels, constant or intermittent, may cause notable distraction or possible hearing loss. Limited visibility, exposure to hazardous or toxic chemicals and gases, smoke inhalation, exposure to burns and radiant energy, electrical shock, as well as subjection to blood borne and air borne pathogens may occur. Falling objects at incident scenes, hazards from equipment, traffic and working in high, confining or restrictive places may pose additional physical risks.

The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.

NOTHING CONTAINED IN THESE JOB DESCRIPTIONS OR ANY OTHER WRITTEN POLICY OF THE DISTRICT IS INTENDED TO BE PART OF ANY EMPLOYMENT RELATIONSHIP OR CONTRACT. VOLUNTEERS SERVE IN AN AT WILL CAPACITY. THESE JOB DESCRIPTIONS FOR THE DISTRICT OR ANY OTHER WRITTEN POLICY OF THE DISTRICT ARE MERELY STATEMENTS OF DISTRICT POLICY AND DO NOT AMOUNT TO PROMISES OF SPECIFIC TREATMENT. FURTHERMORE, THE DISTRICT RESERVES THE RIGHT TO MODIFY THE AFOREMENTIONED JOB DESCRIPTION AND DISTRICT POLICIES AT ANY TIME.

“Whatcom County Fire Protection District # 11 is an Equal Employment Opportunity agency. Decisions regarding selection, promotion and tenure shall be free from restrictions based on physical, cultural religious or other characteristics that are not directly related to the qualifications and ability of an individual to perform the requirements of the position.”

***NOTE:** You will be issued your own set of gear and equipment. If at any time you leave the department, you must return all issued equipment in person and be checked out and signed off by the Chief or his designate. You will be financially responsible for any equipment not returned.

I have read the above instructions and understand them. I understand that volunteer positions with Whatcom County Fire District #11 are at will positions, that I have no contractual right to serve as a volunteer and that my position may be terminated at-will with or without cause. I have also read the job description and requirements of a volunteer firefighter attached with this application and believe that I qualify.
