

YACHT SECURITY WITH INTELLIGENCE

Spectrum Systems provides professional security system solutions that:

- *are reliable under extreme environmental conditions*
- *support cellular connectivity*
- *have a mobile app to report alerts*
- *be straightforward to install*
- *look slick to fit luxury interiors*
- *Surveillance cameras streams*
- *Access control for lockdown*
- *Engine shutdown*

Security concerns are inherent in 2 of 3 Yacht and Super Yacht owners. No two yachts are the same. **Spectrum Systems** is deeply committed to becoming intimately versed in every detail and facet of your crew and yacht. Our team is ready to meet ongoing complex challenges presented throughout the installation of a yacht security system with a welcoming 'can-do' attitude and solutions.

At **Spectrum Systems**, we believe that people shouldn't have to live in fear in today's world. Our continually evolving vessel security systems give people peace of mind. When you're under the reliable protection of a **Spectrum Systems**, you're safe from pirates, thieves, fires, CO or flood that can cause real harm to property and people.

1 Motion detected

2 Alarm triggered

3 Evidence captured
