I understand that GG Dance Studios will not be held responsible for any injuries that may occur whilst in class or on the premises and understand they will seek medical attention for the child immediately if required.

I understand that to provide adequate dance tuition, it is necessary for dance teachers to guide student movement, which may require physical contact.

I agree term fees will be paid in the 1<sup>st</sup> week of the commencement of the term. If term fees are not paid, the child will be unable to attend class unless the parent has made suitable arrangements with the teacher to organise payment.

I understand I must pay a one-off annual fee of \$25.00 for each child enrolled; this will be paid with the first invoice of the term.

By signing this form, you are giving consent for GG Dance Studios to use photographs and/or video footage of the dance student for promotional purposes, e.g. website, newspapers, events, Facebook and Instagram. During the period of participation within GG Dance Studios it is the responsibility of the guardian or student to advise GG Dance Studios of personal circumstances/information change.
