

Beat the heat this summer!

After a long, hot day, what could be more inviting for parents and kids than coming home to your own pool? It's a whole new world of laughter and water-splashed family fun in the comfort of your own backyard. And CORNELIUS leads the way with a wide range of affordable above-ground pools.

LASTING STYLE AND VALUE FOR YOUR BACKYARD

Designed and built according to the industry's highest standards, Solano pools from Cornelius are durable and stylish.

These pools, made almost entirely of resin, are category leaders.

SUNLIGHT BY MOONLIGHT

Not only is it modern and trendy, but this innovative pool also boasts solar lamps on each upright to offer unique lighting as day turns to night.

A LIFETIME OF TIMELESS BEAUTY AND FUN

Our resin SOLANO pool is constructed to withstand the seasons and all they bring. Our legendary 8" extruded resin ledge resists weather, water and wear. Durable 6" injected resin uprights with unique interlocking two-piece resin caps (with integrated top connector for oval pools and injected resin top plate for round pools) provide strength, support and style. With heavy-duty injected resin top and bottom tracks, injected resin bottom connector/foot collar combination and oversized fasteners. You now have a pool to last a lifetime of summers.

DO IT YOURSELF INSTALLATION

If you're handy with a screwdriver, then you can easily assemble your own CORNELIUS pool. We've designed each pool to make installation problem-free—no multi-sized washers or nuts to worry about. Just one large screw type is used to assemble the entire round pool.

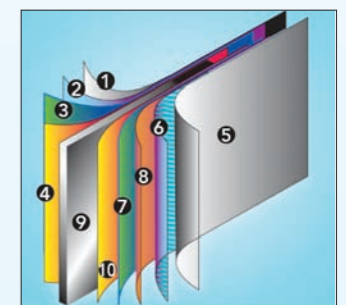

Round Solano - Nevada wall
offered in 52 and 54 inches

NBS oval Solano Nevada wall
offered in 52 and 54 inches

Nevada Wall
