Federal and State law requires that you state the mileage upon transfer of ownership. Failure to complete or providing a false statement may result in fines and/or imprisonment.

The odometer now reads (no tenths), miles and to the best of my knowledge reflects the actual mileage unless one of the following statements is checked.

WARNING

Odometer reading is not the actual mileage.

Mileage exceeds the odometer mechanical limits.

I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
