Map of proposed area is attached (**APPENDIX G**). There may be additional funding available for the extension of contracts to successful offerors.

B. BACKGROUND INFORMATION

The Upper Hondo SWCD works in conjunction with the local Bureau of Land Management (BLM) offices, Lincoln County, NM State Land Office, and private landowners to restore native rangeland, riparian, and disturbed areas back to a healthy condition. Work recommendations for the individual areas will be discussed prior to issuing each work order.

C. SCOPE OF PROCUREMENT

Current updated information regarding this procurement is available on the Upper Hondo SWCD website at www.uhswcd.com.

15. Contract Terms and Conditions

The contract between the Upper Hondo SWCD and a contractor will follow the format specified by the Agency and contain the terms and conditions set forth in the Sample Contract APPENDIX B. However, the contracting agency reserves the right to negotiate provisions in addition to those contained in this RFP (Sample Contract) with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The Agency discourages exceptions from the contract terms and conditions as set forth in the RFP Draft Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Agency (and its evaluation team), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an offeror object to any of the Upper Hondo SWCD's terms and conditions, as contained in APPENDIX B, strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose specific alternative language. The Upper

Hondo SWCD may or may not accept the alternative language. General references to the Offeror's terms and conditions or attempts at complete substitutions of the Draft Contract are not acceptable to the Agency and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

16. Offeror's Terms and Conditions

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Upper Hondo SWCD. Section II.C.15 for requirements.

17. Contract Deviations
