**THE GATHERING AT GRANDOVER  
GREENSBORO, NORTH CAROLINA  
MARCH 20 – 23, 2025**

## THE ONE EXPERIENCE™ 2025

Delve into the heart of self-discovery at **The One Experience™**, an immersive gathering dedicated to guiding people of Faith on a path of profound self-exploration and reflection. This unique event is not just a meeting space, but a transformative journey for those seeking to uncover deeper insights about their true selves, their life's purpose, and to connect with like-minded souls – their tribe.

At **The One Experience™**, we will navigate the multi-faceted ways in which we have evolved into being *The One*. This exploration is pivotal, as it reveals how this evolution often propels us towards extremes – a state that can feel overwhelmingly heavy and burdensome, rather than light and in flow.

This gathering is so much more than a conference. It's a sanctuary for recalibration and enlightenment. It's an opportunity to become acutely aware of our existing habits and beliefs, and to realign them with what a fully integrated walk with God entails. It's about shedding the layers that no longer serve us and embracing a life of continuous growth and evolution – becoming the people of Faith we were already destined to be.

Join us at **The One Experience™** for a time of renewal, learning, and growth. Together, we will embark on this journey of transformation, creating a life that is in tune with our deepest desires and in sync with a higher, divine purpose.
