

Chris Millet Bio

Chris Millet is a second generation optical professional with over 30 years of experience in Eyewear, Ophthalmic lenses, Contact Lenses, and Lab services. He also spent 5 years at PECAA as the COO where he was able to work closely with Independent Eye Care owners and Vendor Partners to understand the challenges facing Independent Eye Care practices. Chris is currently the Managing Director of Global Sales for Modern Optical, a family-owned frame company supplying products to the value and managed care segment. Chris is married to Meghan, his wife of 27 years, and has 3 children between

the ages of 21-26. He resides in Vancouver, WA and enjoys hiking, fishing, the outdoors, and experiencing new areas and cultures.
