
Kathy Shiller

kathy.shiller@zeiss.com

Kathy Shiller currently serves as a Technical Education Specialist for ZEISS in the US. Kathy has been in the optical industry for over 35 years and with ZEISS Vision the last two years. She is a certified optician by the American Board of Opticianry. Her role at ZEISS provides her the opportunity to work with new products and innovations with the marketing team and to work closely with the training and education of eyecare professionals.
