

Introducing the  
**Virtual Opticians Learning Track (VOLT)**  
developed by

**Institute of Opticianry  
& Technology**

**IO TECH IS OFFERING A  
25% STATE ASSOCIATION MEMBER DISCOUNT**

**What Makes IO Tech Different?**

We are opticians training opticians—we know what you need to learn and how to advance your knowledge and skills. We are dispensing opticians that collaborated with the best in opticianry education, along with learning analysts to produce **VOLT—the Virtual Opticians Learning Track.**

**How VOLT Bridges the Gap—  
In-person to online**

- Provide a sequential learning process at the most granular level possible
- Self-paced—online & interactive that mirrors and compliments in-person education
- Introduce information that makes sense as part of the eyecare and vision care team
- **Extensive ABO & NCLE preparation**—questions with solutions to problems in real time. Removes the guesswork to which equation and why
- 5 Learning Tracks, 138 lessons, plus extensive instructional videos on tools and adjustments—much needed lessons
- Sequential and gated units to progress forward
- Over 1,000 questions
- Rx analysis and lens designs broken down in the simplest form
- Real life practice role-modeling where you learn the how and the why of product selection
- Earn a Certificate of Completion in Ophthalmic Dispensing and optional Contact Lenses
- Facilitator sessions by appointment—ten 30-min sessions, included

**New to this Learning Space:  
A BONUS TRACK**

Created to introduce our candidates and sponsors to the latest in technology for products, services and resources available in our industry. This is presented as an ungated Track for immediate review upon purchase.

**Comprehensive Contact Lens Unit  
included but optional**

**VOLT is the FIRST PROGRAM to offer  
a Mentor/Sponsor Track**

We want to guide & support the mentor/sponsor too by offering a refresher or an in-depth review for the advisors who provide guidance.

**Reporting & Analytics at Program Level**

- Monitoring to inform continuous progression within the program
- Reports for Sponsors upon request & candidate approval
