## MESSAGE FROM THE PRESIDENT

### Greetings Sorors!

It's already June, and the Sorority year is almost over, but the planning for the next sorority year has already begun. We have elected and installed Psi's 2024-2025 officers and we plan to celebrate with each other at the Soror Recognition program at the end of the month. We are so grateful for 95 years of friendship and love. Let the laughter echo, the bonds of Sisterhood strengthen, and the victory be ours!

Iota Roses to Soror Collette Jones, Soror Eddie Johnson, and the membership committee for a job well done! Welcome to our six new members, the PearlFect SIX. We are looking forward to the fellowship, energy, and new ideas that you will bring to the chapter. Iota Roses to Soror Daphne Hornbuckle and the Technology Committee for the outstanding video honoring Founder's Day. Make sure that you watch, like, and share with all your social media friends and family.

Iota Roses to the Soror Collette Jones, Psi's Founder's Day Chair, and the DFW Founder's Day Committee for an outstanding joint program. Love and Sisterhood were felt by everyone in the room. Thank you, National President, Charlotte Berry, and National President-Elect, Wendy Jacques for your presence and the joint installation of officers. This truly gave us a feeling of unity. The dinner and fellowship after the ceremony were truly on point.

Iota Roses to Soror Rita Heath-Powell and her committee for coordinating the Buckner Shoes for Orphan Souls Community Service Project. It was truly an awesome turnout that included Sorors, MOI, Pelati, and FIL. Through Psi Chapter's efforts and donations, hundreds of underprivileged children worldwide will be blessed with a new pair of shoes, food, and an encouraging message of hope and love.

Sorors thank you for showing your confidence in me by re-electing me as your President for another year. Welcome to the new members of the Executive Committee and Iota Roses and thank you to the EC members that will not be a part of us this upcoming year. Your service, talents, and hard work is very much appreciated.

Sorors we all hold the power to transform Psi Chapter into a legendary force to be reckoned with! It's not just about being the best, but about uplifting each sister, celebrating our unique talents, and creating an atmosphere of love and support. Together, we can accomplish anything and everything. Are you ready for the 2024-2025 Sorority year? Bring it on !!!!

Blessings,  
Soror Beverly Moore,  
Psi Chapter President

## Posttraumatic Stress Disorder (PTSD)

June is Posttraumatic Stress Disorder (PTSD) Awareness Month. Recently, the U.S. Department of Health and Human Services (HHS) Secretary, Kathleen Sebelius, stated the importance of this challenging and debilitating condition.

PTSD is an anxiety disorder that some people develop after seeing or living through an event that caused or threatened serious harm or death. PTSD may result in sleep problems, irritability, anger, recurrent dreams about the trauma, intense reactions to reminders of the trauma, disturbances in relationships, and isolation. Some people may recover a few months after the event, but for others, it may take years. For some, PTSD may begin long after the events occur. However, PTSD can be treated.

HHS, along with the Departments of Veterans Affairs (VA) and Defense (DOD), is supporting new research to reveal the underlying causes of PTSD and related conditions, develop better tools to identify those at the highest risk of developing the disorder and develop new and better treatments and preventive interventions.

The Substance Abuse and Mental Health Services Administration (SAMHSA) and the National Institute of Mental Health (NIMH) also offer a variety of resources designed to help people who suffer from PTSD, as well as aid their families and friends in better understanding and dealing with trauma's aftermath. These resources include:

- The National Center for Trauma Informed Care provides education and training for supporting recovery and identifying specific treatment practices to address trauma.
- Information about bullying and other traumatic crises is at <https://stopbullying.gov>
- The National Child Traumatic Network provides tools and resources to assist healthcare providers, educators, and families.

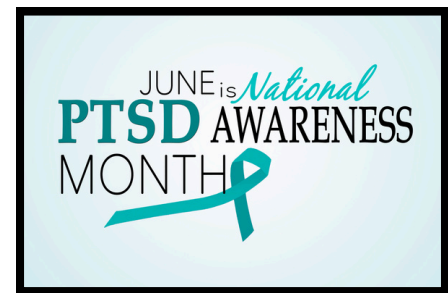

Additionally, a list of military family resources can be found through the following:

- SAMHSA's Military Families Strategic Initiative.
- Veterans Chat for veterans, family members, or friends in crisis.

If you think that you or someone you know has PTSD, you are not alone. There is help available. Talk with a caring VA counselor by calling 1-800-273-8255

## Buckner Shoes for Orphan Souls Community Service Project

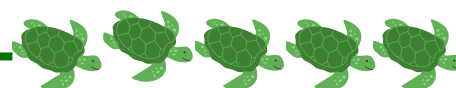

Iota Phi Lambda Sorority, Inc., Psi Chapter continued its long-time tradition of supporting the Buckner Children's Center Shoes for Orphan Souls project. The project involved sorting shoes to be shipped to thousands of children in underprivileged countries worldwide.

This year's community service project effort was held on May 11, 2024, from 9:30 a.m. to 11:30 a.m. at Buckner's Shoes for Orphan Souls Warehouse. Again, we had a phenomenal turnout with 32 volunteers, including Sorors, MOI, Pelati, FIL, and for the first time our LOMEPA Club group.

Kudos and much love to all who participated and continued to make this community service project one of our largest collaborative community service efforts.
