October 2025

Chapter Theme: "Business and Professional Women Empowering Others by Reflecting on Our Accomplishments, Upholding Our Legacy, and Celebrating What Is To Come! "

Greetings Sorors!

MESSAGE FROM THE PRESIDENT

Our first Chapter meeting of the year was both exciting and inspiring, filled with love, support, and a renewed commitment to excellence. The Sorority year is in full swing, and we are honored to continue the work of Iota as we collaborate, share ideas, and implement meaningful programs and projects for Psi Chapter. We plan to **"Make A Difference"** on October 25 and the entire Sorority year!

Iota Roses to Dean **Stevette Bauman** and the **Membership Committee** for hosting an outstanding Informational and RUSH event introducing Psi Chapter to the ladies of the DFW community. It looks like Psi Chapter is growing, and we couldn't be more excited!

Iota Roses also go to **Soror Daphne Hornbuckle** and all Psi Sorors who volunteered at the *Quest for Success* annual event. Your dedication and service continue to reflect the true spirit of Iota.

Turtle Hugs to **MOI Jesse Hornbuckle III**, who is the recipient of the [2025 Excellence in Teaching Award for Adjunct Faculty](#) at Dallas College. This recognition is a testament to his dedication to students' success and his positive impact on the academic community at Dallas College. Psi Chapter is so proud of you!

October is **Breast Cancer Awareness Month**, and we extend special recognition to **Sorors Daphne Hornbuckle, Wonda Traylor**, and all Psi Sorors who participated in the *Sister to Sister Fitness Festival*, hosted by The Celebrating Life Foundation on Saturday, October 4, 2025. Proceeds from this event help make breast cancer powerless through education, encouragement, and empowerment.

This month, let us all "think pink" and stand in solidarity with those whose lives have been touched by breast cancer whether it be ourselves, our mothers, grandmothers, daughters, sisters, aunts, or friends. The fight continues, and together, we bring

hope and awareness.

October is also **Domestic Violence Awareness Month**. Each year, **Purple Thursday** also known as "Go Purple Day" is a National Day of Action. On this day, we are encouraged to wear purple as a symbol of peace, courage, survival, and personal dedication to ending domestic violence. Remember, behind every statistic is a story and every story matters.

Finally, we are less than a month away from the upcoming **election**. Sorors, please encourage your family and friends to get out and vote. Your vote is your voice, and your voice shapes our future.

Love and Blessings,

Soror Beverly Moore, Psi Chapter President

COMMUNITY SERVICE
PROJECT

The Celebration of Life Foundation hosted the 24th Annual Sister to Sister Fitness Festival on Saturday, October 4, 2025, bringing together hundreds in the fight against breast cancer. **Harrison Blair, President of the Dallas Black Chamber of Commerce, was the Honorary Chair.** The attendees did warm-up exercises, enjoyed lively entertainment, and patronized a variety of local vendors. The event also offered free mammogram screenings, which reinforced the mission of promoting early detection. **20 dedicated Psi Chapter members volunteered to help make the day a success.**

Arriving bright and early, Sorors greeted the runners and walkers with enthusiasm and sisterly warmth. We assisted the participants with registration check-in, T-shirt distribution, vendors' support, and we assisted survivors in the survivors' pampering room. Cancer

survivors/volunteers included Sorors **Stevette Bauman, Daphne Hornbuckle, Martha Richmond, and Juanda Wallace.** An inspiring moment came when Soror Hornbuckle was asked to share her personal cancer journey in an on-site interview with Parkland Health. She shared a powerful reminder: *"Make sure you check your breasts every month. Early detection is the key to survival."*

Through service, **Psi Chapter** once again demonstrated our commitment to community empowerment and women's health advocacy—embodying the true spirit of sisterhood and service.

Good Health Wins Healthy Habits To Prevent Flu
Submitted by: Soror C. Jones

Healthy Habits To Prevent FLU

The primary healthy habit recommended by the [Association of Immunization Managers \(AIM\)](#) to prevent the flu is getting a **yearly flu vaccine**, which significantly lowers the risk of illness, hospitalization, and death from influenza. AIM emphasizes that the flu shot

can be given alongside other recommended vaccines, like those for **COVID-19, RSV, and pneumococcal disease**, and encourages healthcare providers to make strong recommendations for these vaccines.

HEALTHY HABITS TO PREVENT FLU

GETTING VACCINATED
The flu vaccine is the best way to protect yourself and your loved ones from the flu.

HANDWASHING
Frequent handwashing helps keep the flu virus and other illnesses away.

CLEANING
Regularly cleaning and disinfecting commonly used surfaces helps keep flu germs away.

2025 Spotighting Soror Daphne J. Hornbuckle

A Evening to Remember & A Special Thank You from Soror Daphne Hornbuckle

Hofstra University has selected Soror Daphne Hornbuckle as a 2025 Alumni Achievement Honoree. A special reception was held in Dallas, TX that included live jazz with Ms. Liz Mikel, Jazz Band, dance performances by B. MOORE DANCE and great cuisine by Our DOOR to YOURS. Special thanks to the Bragalone's and Cicely Miller. MOI and Soror Hornbuckle introduced the Daphne Jackson Hornbuckle Endowed Scholarship for students in underserved communities. The evening was filled with wonderful entertainment, wonderful food and a wonderful time! Sorors, "I want to take this opportunity to say thank you so much for celebrating with me as I prepare to receive an Alumni Achievement Award from Hofstra University. To have you, present at my reception meant the world to Jesse and I. It was a beautiful evening filled with joy, laughter, and unforgettable moments; but above all it was your presence, and warm company that made the evening truly wonderful.

I am also very appreciative of your support of the **Daphne Jackson Hornbuckle Endowed Scholarship** which will help deserving students pursue their college dreams. Your kindness and generosity mean the world to both Jesse and I. Below are some treasured photos from the reception. Thank you all again for celebrating with us and making this a very memorable occasion."

Future Iota Leaders (FIL) Kick Off with a Strong Start

Psi Chapter proudly hosted its first **Future Iota Leaders (FIL)** meeting on **Sunday, September 21st**, marking a successful launch of the youth initiative. The session welcomed **13 FIL participants**, **1 parent**, and **9 Sorors**, all gathered to foster leadership, learning, and sisterhood.

A highlight of the meeting was a vibrant and engaging PowerPoint presentation designed by **Soror Diana Eichelberger**, FIL Committee Co-Chair. The presentation outlined key meeting details and set the tone for an informative and interactive experience.

FIL participants took part in a fun icebreaker activity, with **door prizes awarded** to encourage participation and build camaraderie. The agenda also included a review of **FIL membership guidelines**, the **Code of Conduct**, and an overview of **Regional and National guidelines** for the **Evelyn D. Wilkey Essay Contest**.

MOI Hornbuckle Receives The 2025 Excellence in Teaching Award for Adjunct Faculty

MOI Jesse Hornbuckle, III is the recipient of the 2025 Excellence in Teaching Award for Adjunct Faculty. This recognition is a testament to his dedication to students' success and his positive impact on the academic community at Dallas College. MOI Hornbuckle teaches photography at Mountain View and Cedar Valley campuses and serves as a genuine mentor and role model for the students as he helps them grow both academically and professionally.

One of his students, Keith Vinson, shares *"Professor Hornbuckle has been more than an instructor—he's been an advocate and catalyst for my growth as a photographer. His ability to see potential in each student and push us to go further has shaped both my craft and my confidence. Because of his guidance, I've had opportunities to refine my photography and approach my work not just as an art form but as a professional path. He has a unique gift for igniting passion while also equipping students with the tools and experiences to succeed beyond the classroom. Thank you, Professor Hornbuckle, for investing in your students and for believing in us. Your impact reaches far beyond the lens. You've helped us see what's possible"*.

Breast Cancer Awareness Month

Turning Awareness Into Action:
Breast Cancer Awareness Month

According to the ACS's [Cancer Facts & Figures 2025](#) report, approximately 1 in 8 women in the U.S. will be diagnosed with invasive breast cancer during their lifetime, and 1 in 43 will die from the disease. However, there has been tremendous progress; ACS researchers project that by 2035, the number of breast cancer survivors will reach 5.3 million. Today, ACS encourages everyone to turn awareness into action in the continued mission of ending breast cancer as we know it.

To combat the disease and support both individuals and their families going through a diagnosis, ACS funds research that advances prevention and treatment efforts, advocates for equitable access to care, and provides programs, services, and science-based cancer information, helping to ensure that no one faces breast cancer or any cancer alone.

October is Domestic Violence
Awareness Month

October was first declared as National Domestic Violence Awareness Month in 1989. Since then, October has been a time to acknowledge domestic violence survivors and be a voice for its victims. Domestic violence is prevalent in every community, and affects all people regardless of age, socio-economic status, sexual orientation, gender, race, religion, or nationality. Physical violence is often accompanied by emotionally abusive and controlling behavior as part of a much larger, systematic pattern of dominance and control. Domestic violence can result in physical injury, psychological trauma, and even death. The devastating consequences of domestic violence can cross generations and last a lifetime.

Although there has been substantial progress in reducing domestic violence, an average of 20 people are physically abused by intimate partners every minute. This equates to more than 10 million abuse victims annually. 1 in 3 women and 1 in 4 men have been physically abused by an intimate partner, and 1 in 5 women and 1 in 7 men have been severely physically abused by an intimate partner. Millions of Americans live in daily, silent fear within their own homes. In addition, every year millions of children are exposed to domestic violence. Domestic violence incidents affect every person within a home and can have long-lasting negative effects on children's emotional well-being, and social and academic functioning.
