## Message from the President

Hello Sorors

Black History month is an important time to honor and celebrate the achievements and contributions of Black individuals throughout history. How do you plan to celebrate or learn more during this month?

Psi Chapter has planned several celebrations and opportunities to spotlight and celebrate the achievements that African Americans have accomplished in this country. Thank you, Dr. Martin Luther King Jr, for helping to lead the way.

Iota Roses to Soror Juanda Wallace and the Black History Committee for planning several activities for the Chapter during the month of February. The Soul Food Snack Down was fantastic! The food was delicious, and we loved playing those games and having fun.

Iota Roses to the Psi Sorors that attended the 2025-MPACT BLACK HISTORY GALA in Palestine, Texas. We were treated like royalty! Thank you, past Hall of Fame Honoree Mr. Ernie Williams, for inviting us.

Iota Roses to Soror Daphne Hornbuckle for the article written by Hofstra University, "Alumna Daphne Jackson Hornbuckle: Paving the Way for Future STEM Leaders." You are truly leading the way and inspiring the way for the next generations of leaders.

Iota Roses to Soror Nadia Robinson for receiving the BOMA Dallas Award as the Administrative Assistant / Property Assistant of the year in the Commercial Real Estate Industry. BOMA - Building Owners and Managers Association recognizes the best of the best in the Dallas Commercial Real Estate Industry.

We also celebrate American Heart Month in February. Some of Psi Chapter Sorors wore red to focus on our cardiovascular health. "Green goes Red." The most important Valentine's Day gift that you can give is to make sure you are doing your part to help establish long-term, healthier habits.

Sorors please remember to pray for our Sorors that have lost loved ones and also those that are ill and/or recuperating from health conditions. Send cards, text and please call to check on them. We never know when we will need that extra "Love." But now faith, hope, love, abide these three; but the greatest of these is love. (1 Corinthians 13:13, NASB)

# Soul Food Smackdown

On Saturday, February 1, 2025, Psi Chapter Sorors and MOI Moore launched Black History Month with our beloved Soul Food Smackdown. The event was packed with fun games, joyous laughter, and naturally delicious Soul Food prepared by the members of Psi Chapter. As guests mingled, they shared stories of heritage and resilience, creating a tapestry of shared experiences and cultural pride.

As the event drew to a close, everyone gathered for a heartfelt speech highlighting the importance of unity and reflection during Black History Month. It was a beautiful reminder of the past's struggles and triumphs and the ongoing journey toward a brighter future.

The Soul Food Smackdown was not just a feast for the body but a celebration for the soul, leaving everyone with full hearts and a renewed sense of community.

# FEBRUARY HEART HEALTH AWARENESS

According to the Heart Foundation, February is Heart Health Month. Heart Disease is the leading cause of death for both men and women in the United States. The good News? It is also one of the most preventable.

What Is Heart Disease?

- In fact, there are numerous answers to this question. Heart disease is actually a broad term used for a wide variety of diseases of the heart and blood vessels such as coronary artery disease, heart rhythm disorders called arrhythmias and defects of the heart present at birth, also called congenital heart defects.
- The most common type of heart disease in the United States is coronary artery disease, also called coronary heart disease or cardiovascular disease.

**Heart Attack Symptoms** - Symptoms of a heart attack or myocardial infarction can vary greatly from person to person, but in order to help you identify a possible heart attack, some of the most common symptoms are listed below:

- Approximately 2 out of every 3 people who have heart attacks experience chest pain, shortness of breath or fatigue a few days or weeks before the attack.
- During a heart attack, a person may feel pain in the middle of the chest which can spread to the back, neck, jaw or arms. The pain may also be felt only in the back, neck, jaw or arms rather than the chest.
- A person having a heart attack may have gas-like pain or pressure in the stomach area which is often mistaken for indigestion.
- Nausea & vomiting which are sometimes mistaken for food poisoning or the stomach flu
- Lightheadedness or dizziness, Shortness of breath, especially in older people
- Feelings of restlessness, sweatiness, anxiety or a sense of impending doom
- Bluishness of the lips, hands or feet, Heavy pounding of the heart or abnormal heart rhythms
- Loss of consciousness (This can be the first symptom of a heart attack!)
- Disorientation resembling a stroke may occur in older people.

If you think that you or someone in your presence is having a heart attack, call 911 IMMEDIATELY! Every minute you delay can result in more damage to the heart muscle.

### FEBRUARY MEDIATION

### SPENDING TIME WITH GOD ON OUR JOURNEY

The founding principles of Iota Phi Lambda Sorority, Inc. stand bold and tall in the month of February. The month that consists of friendship, love and celebration – Valentine's Day and Black History Month. A special time that we as African Americans can focus on our past, present, and future with intense devotion for the individuals and events that make up our history.

We certainly realize that the way has not always been easy, but with God's help we have come this far by faith as we continue the journey. God has always been there to help us, and our ancestors make a way out of no way. No matter what we see or hear around us even now, we can be assured that God's got it. He is a Way Maker!

In this month of reflection and celebration, let us take a moment to honor those who came before us, who paved the way with courage and resilience.

*Isaiah 43:19 says, "God can make a way where there seems to be no way, as long as you believe. I will even make a way in the wilderness and rivers in the dessert."*

*2 Chronicles 20:17 says, "You will not need to fight this battle. Stand firm, hold our position, and see the deliverance the Lord will give you, Judah, and Jerusalem. Do not be afraid and do not be discouraged. Go out to face them tomorrow, and the Lord be with you." NIV*

There's a song that we sing in church that says it all:

#### Way Maker by Leeland

Way maker, Miracle worker  
Promise keeper, light in the darkness.  
My God, that is who you are.  
Way maker, Miracle worker  
Promise keeper, light in the darkness.  
My God that is who you are.

## Let us go to God in prayer

God of life, love, and history, who was there in the beginning and continues to be with us today. We thank you. We thank you for never leaving us and for always making a way out of no way. Help us Father God, to remember you are always with us no matter what comes our way. With you all things are possible. We thank you for life, health, and strength as we continue to move forward in this troubled world with you by our side.

As we carry this spirit of gratitude and faith into our daily lives, let us also be mindful of the impact we have on those around us.

We love you Lord, and we continue to give you all the praise, honor, and glory for what was and what will be.  
AMEN
