FLORIDA RHYTHM KINGS

ABOUT THE BAND

Professionally, the Florida Rhythm Kings do two things. Party. And Rock & Roll. We rip through classics from the 70s to the '90s. Blues, Rock, and even Funky Soul. Your local live Southwest Florida music show. Our musicians bring experience, professionalism and excitement to any audience, event, bar, or venue.

ALEX PORTER

GUITAR/VOCALS

Alex puts on a damn good show. Plucking his musical pedigree from festival stages and exclusive clubs around the American Midwest, Alex infuses his Chicago roots into his new home of Southwest Florida. His prowess keeps the crowd on their feet and the band grooving. He is the fearless leader of the Florida Rhythm Kings.

MAC ALTA

BASS/VOCALS

As a veteran of the Florida East Coast Music Scene, Mac brings to Southwest Florida a musical knowledge to keep a crowd moving and the party rolling all night long. Mac's intuitive playing and vocal harmonies help fill the Florida Rhythm Kings' sound for an impressive performance and enthusiasm on stage

MIKEY NY

DRUMS/VOCALS

Mike moved to Southwest Florida after 1,000+ gigs in Long Island, New York. Heavily inspired by 70s classic rock, his musical heroes include Bill Ward (Black Sabbath), Ian Pace (Deep Purple) and John Bonham (Led Zeppelin). Mike's improvement mindset and drum solo mastery brings the heartbeat to the Florida Rhythm Kings

FLORIDA RHYTHM KINGS

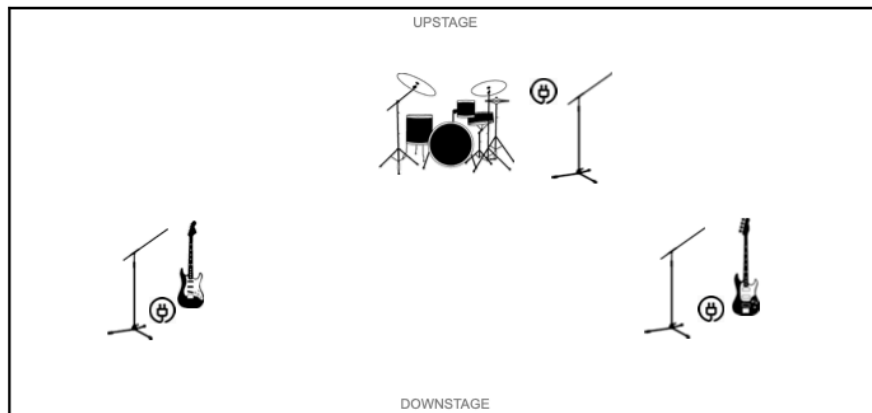

PRODUCTION

The Florida Rhythm Kings are a four-person Operation consisting of three people on stage and a professional sound engineer. Having 3 performers makes us perfect for varied events and stages of any size. The Florida Rhythm Kings employs professional production, which allows for immediate control of volumes and provides all events with high-quality audio. The performance with lights and sound production makes every show an authentic event.
