# Dzulqarnain

**Dzulqarnain** is a seasoned technical expert with over 30 years of experience in engineering, facilities management, health, safety and environment, and operations across diverse sectors including hospitality, manufacturing, and oil and gas vessels and FPSO. He has a Bachelor's Degree in Engineering (Hons). He is also certified as a DOSH/NIOSH Safety & Health Officer, CIDB Facility Manager, Risk & HSE Assessor and Certified Trainer.

Dzul is well-regarded for his deep technical knowledge and hands-on leadership in areas such as hotel maintenance management, HVAC, fire life safety, green technology, HSE, HSE audits, ID/construction project.

Throughout his career, Dzul has served as senior roles at leading organizations such as Bank Negara Malaysia facilities, Sheraton Imperial KL, Sama-Sama Hotel KLIA, Courtyard by Marriott Penang, Genting Sanyen Power Plant and MISC (Petronas), where he successfully led teams in complex engineering and maintenance operations, pre-opening setups, HSE, risk and sustainability initiatives.

In addition to his technical expertise, Dzul is highly capable of conducting training in hotel operations and customer service excellence, drawing from his extensive experience in hospitality management and guest satisfaction programs. His training style is practical, engaging, and focused on building both operational strength and service quality. Dzul is passionate about developing future and budding talents, inspiring them to excel and succeed in their careers.
