

ITEM HIRE TERMS & CONDITIONS AGREEMENT FORM

DAMAGE

I understand that any damage that is done to the item hired while in my possession will be charged at whatever cost it will be to be fixed (stated below)

**please enquire with us the amount this will be (required to your item hired)

STICKERS/TAPE

I understand that anything stuck to the item hired must be from **Eleven Eleven Events** otherwise I understand that I need to ask before sticking on any other tapes/stickers. This is so we make sure no paint is being taken off our hired items therefore no confusion/blaming of damage happens.

Attachable items are fine aslong as we are notified prior.

NO BOND

As we do not make you pay a bond we do need you to understand and agree that the hirer's ID is provided (hard copy or photo) on pick up/drop off if not told otherwise.

This is not shared with anybody else outside of Eleven Eleven Events and is only needed to scan & attach to this agreement form upon hiring and no longer needed when your hired item is returned.

24HR HIRE

I understand all items are to be hired for 24hrs only unless told otherwise by **Eleven Eleven Events**. This timeframe starts from when you receive the item. Please let us know before you drop off hired item/s
