HERITAGE CHILDREN CENTER

Caring for children ages 2-4

*“Great Shall Be The Peace Of Your Children”
Isaiah 54:13*

Mission Statement

"All your children shall be taught by the Lord and great shall be the peace of your children." (Isaiah 54:13)

Inspired by the words of Isaiah, we are committed to developing the full potential of each student in a disciplined, caring, non-denominational Christian environment. We believe that excellence for all students can only be achieved in such an atmosphere, where each student is taught that he or she can do all things through Christ.

Purpose

Heritage Children Center is a unique Christ-centered learning environment that exists to provide an excellent, safe, and nurturing setting.

We have NYS certified staff with over 20+ years of experience. Our 2-4 year olds will be surrounded in an atmosphere filled with academics and social interaction that is both fun and engaging. Here at Heritage Children Center, we work alongside our student's family and community to foster growth and development.

About Us

Heritage Children Center is a ministry of Christian Heritage Ministries. Christian Heritage first launched a school in 1999 by the leading of the Holy Spirit through Bishop Albert C Delmadge and Pastor Merna Delmadge. Their ministry to children began in the early 1980s when about 40 children and several adults leaders were meeting every week in their home in Brooklyn. By the 1990s, these meetings evolved into Christian Heritage Ministries.

Their mission to children was growing continuously, and the launch pad for this growth was the daily morning prayer meetings that started in 1995. It was during one of these prayer meetings that the Lord spoke to Bishop Delmadge about starting a school. In 1999, the Lord miraculously enabled Christian Heritage Ministries to start Christian Heritage Academy, teaching students from Kindergarten through 9th grade. By 2002, the school taught students from Pre-K through 12th grade.

Many students passed through Christian Heritage Academy, but sadly the school closed its doors in 2017. However, the mission to children never ceased. Today, Christian Heritage Ministries has launched a school again, Heritage Children Center, starting with a Pre-K program with students from ages 2-4 years old.

A Day AT HCC

Circle Time

Circle Time is a daily activity where children and teachers engage together in activities and discussions.

Center Time

Center time encourages every child to engage in independent play and exploration within various learning centers such as blocks, art, sensory, dramatic play, and music.

Story Time

We read and share a variety of stories relating to the theme or letter of the day. While doing so, developing a love for books and learning how to care for them.

IndoorPlay / Outdoor Play

Students are engaged daily in activities such as walking, running, jumping, climbing, catching, throwing a ball and hitting with a bat.

Table Top Activity

Children are engaged in fun activities, helping them to follow directions, develop self-regulation skills, develop fine motor skills and practice taking turns.
