### **Eupora Economic Development Makes Generous Donations to Local Organizations, Thanks to Bert Parish State Farm**

Eupora Economic Development (EED) is pleased to announce that, with the support of Bert Parish State Farm, it has made significant donations to several local organizations and public services in the community.

The following groups have received funding:

- Webster County Public Library
- Eupora Rotary Club
- Eupora Police Department
- Eupora Fire Department
- Mathiston Police Department
- Mathiston Fire Department
- Maben Police Department
- Maben Fire Department

These donations will support local emergency services, public programs, and community outreach efforts. Bert Parish State Farm has long been a dedicated supporter of local causes, and this initiative underscores their ongoing commitment to community growth and support. The donations are part of an ongoing effort to ensure that essential services and programs in Eupora, Mathiston, and Maben continue to thrive.

“We are grateful for the opportunity to strengthen our community through these donations,” said Janet Cook, Executive Director of Eupora Economic Development. “This initiative demonstrates the power of collaboration in making Eupora and the surrounding areas a better place to live and work.”
