

Was gibt's Neues? - The News

Brian Langford and Barbara Dittmann Bowie of San Antonio, Texas, took a trip to Veilsdorf to say "HALLO!" to all of our Treybig cousins.

Log Cabin Project: The original idea was to purchase and move Friedrich's log cabin from the private property where it is now located to a nearby historical park. This project is on hold. Also we will be unable to visit the cabin during the 2001 reunion because the landowner is no longer living on the property.

Memorial Stone: Arliss Treybig (Bernhardt Branch) has suggested we purchase and place in the Shelby cemetery a memorial stone for Nicolaus and Maria Treybig.

Missing: Treybig Family Bible and a gavel. Contact Tammy Zgabay if you have any clues.
