Although your firm is now certified as a DBE with Iowa DOT and listed in our DBE Directory; in order to be eligible to be utilized as a DBE to meet the DBE participation goal on federally funded projects let by Iowa DOT, your firm must be listed in the Bin File as an eligible DBE in Bid Express. Iowa DOT projects are generally let on the third Tuesday of the month, but a newly certified DBE has to have been added to the DBE Bin File by the third Monday of the month BEFORE the letting in order to be eligible to be used as a DBE to meet the DBE participation goal. If you have further questions regarding Iowa DOT's bidding or letting processes, please contact the Contracts Bureau at 515-239-1414.

If you have any questions, please feel free to contact this office.
