

Half Moon Golf Course

The Half Moon Golf Course is your closest option – you can walk down to the pro shop in 5 minutes. As members of the Half Moon Golf Club, Three Little Birds Guests can play at significantly discounted rates. The course is well thought out and fairly flat, in case you feel like walking. If you've never used a caddy before, think of it as an on-course lesson. Don't forget to visit the 19th hole at the end of your round for a killer rum punch before walking back up to the house.
