

# DEVELOPING YOU: BE THE PERSON YOU WANT TO FOLLOW

### Workshop Description:

Are you ready to unlock your leadership potential and lead with purpose, confidence, and impact? This dynamic course is designed to empower you to discover your unique leadership style, develop essential skills, and master practical tools for effective leadership in any context. You will embark on a transformative journey of self-discovery and skill development, guided by experienced leadership experts. Join us for personal and professional growth as you unleash the leader within you. Whether you're an aspiring leader or a seasoned executive, this course will equip you with the knowledge, skills, and confidence to lead with authenticity, purpose, and impact. During this class you will:

- Conduct self-assessments and reflective exercises to uncover your innate leadership style and preferences.
- Understand the importance of aligning your leadership style with others and how to develop an adaptive mindset.
- Learn how to create a compelling vision to guide you towards achieving your personal and professional goals and objectives.
- Learn methods and tactics for developing influential strategies to gain the support of your managers, colleagues, and subordinates .
- Learn how to create exercises to build moral and motivation within your team.
