LABOR OF LOVE

Workshop Description:

The strength of your team's relationships is a big piece of the collaboration jigsaw. This workshop starts with a brilliantly fun business simulation with collaboration as a key learning followed by an activity focusing on the power and importance of relationships.

Participants finish with everyone creating personal plans on how they will collaborate in the future with their respective teams.

Activities:

- Build a Bridge
- Relationship Triangle
- Expectations Exchange

Materials/Takeaways:

- Workbook provided
- Templates of activities included (paper and electronic)
