

## STRATEGY SIZZLER

### **Workshop Description:**

When teams have the skills and processes to make fast, effective collective decisions, conflict can disappear. This workshop looks to improve communication, collaboration, and decision making all in one go. Participants are left with simple written agreements between team members about how they are going to work with each other. They'll be equipped to use this process in all aspects of their role.

### **Activities:**

- The Team Evolution Curve
- Group Decision Making Analysis
- Expectations Exchange
