

Welcome Home! Union Grove MBC

Because it is our belief that there is no situation God cannot solve and that there is no sinner God cannot save, and that there is no substitute for HIS son, we have dedicated ourselves to sharing God's word so that people may know God's will and walk according to God's ways.

As for our worship experience, we believe that when good theology combines with good hymnology, it rises to God in a great doxology!

So as you peruse our website remember us in prayer and if you are in the area and are so inclined to do so, as led by the Holy Spirit, please join us in our welcome service.

For the Cause of Christ,

Pastor G. P. Taylor

ABOUT PASTOR TAYLOR

Reverend Dr. Glenn Philip Taylor was called into the ministry at a very young age and was greatly influenced by his father, the late Robert Louis Taylor, Sr. .

A humble and yet exceptional scholar of the bible, Dr. Taylor has a passionate love for the Word of God. This is evident in his profound and precise ability to transliterate the most complex doctrinal precepts into current and relevant life application. His creative use of spiritual hymns, humor, parables and stories captivates and draws the unbeliever seasoned saints and babes in Christ alike.

Pastor Taylor is an intuitive and caring man of God. As an experienced and effective administrator in all aspects of church business, he understands and leads the church in the fulfillment of its critical role in the community and its demonstration of brotherly love and civic duty
