

At Union Grove Missionary Baptist Church, our scholarship ministry is all about lifting up our students by recognizing their potential and supporting their educational journey. We're not just about giving financial help; we're here to encourage you through mentorship, prayer, and being there for you as you chase your dreams. We want you to know that the church is your source of strength and guidance, reminding you that you're seen, valued, and ready to make a difference in the world.

With that said, we have some additional info that will help with your educational journey.

Below you will find details about colleges that will be visiting Chattanooga and other useful information.

Middle Tennessee State University (MTSU)

MTSU will host a Chattanooga True Blue Tour Student Reception on Thursday, September 25, 2025, from 6:00 PM to 8:00 PM EDT at The Chattanooga Hotel. This event offers prospective students and their families a chance to speak with representatives from various MTSU departments, including the President, deans, counselors, and advisors. You can register for the event on the [MTSU website](#).

What to Expect:

- **Meet MTSU Representatives:** Talk with MTSU President, deans, counselors, advisors, and representatives from almost every department.
- **Learn About Programs:** Discover more about MTSU's more than 150 academic programs.
- **Connect with Other Prospective Students:** The event is an opportunity for prospective students and their families to meet and learn about MTSU.

University of Tennessee at Chattanooga (UTC)

UTC - Chattanooga - Nov. 12, 2025

The Scoop:

Bring your parents! Bring a friend! Join us for a night of food, fun and practical info about our programs, our people and the opportunities you'll discover as a UTC student. We want to give you a feel for UTC and answer all your questions about academic programs, admissions, housing, financial aid and campus life.

Enjoy light refreshments, hear from our Chancellor and register to win UTC scholarships. Don't forget to wear blue and gold to the event and increase your chances of winning cool prizes!

Admitted in a Moc Minute

We know waiting is one of the toughest parts of applying to college, and all the application fees can add up fast. That's why we're offering qualified seniors the chance to get admitted on the spot at the Power C event (for free!). No wondering! No waiting! Know in a Moc Minute!

Here's how to participate in Moc Minute:

- Complete and submit an online application at <https://www.utc.edu/apply> at least 48 hours before the event.
- Ask your school counselor to print your transcript and put it in a sealed envelope to bring to the event or email it to transcripts@utc.edu.
- If you have not already sent your ACT or SAT scores to us electronically, you will need to bring a printed copy (a photocopy is fine!) of your score to the event. If your high school includes the ACT/SAT on your transcript, we can also use that score.

Prospective students must meet stated admissions requirements of a 2.85 GPA with an 18 ACT or a 2.5 GPA with a 21 ACT in order to be accepted during this event.
