Good evening,

As mentioned when I addressed those present tonight:

County Executive Marcus Henry is putting on several town halls:

(2 new dates were added to the schedule)

Tuesday, April 28th at 6pm – Rt 9 library, [3022 New Castle Ave, New Castle](#)

(NEW) Tuesday, May 5th at 6:30pm – Cranston Heights Fire Co, [3306 Kirkwood Hwy, Wilmington](#)

Monday, May 7th at 6pm – DelTech, [300 N. Orange St, Wilmington](#)

(NEW) Monday, May 11th at 10:30am – Newark Senior Center, [200 Whitechapel Dr, Newark](#)

Tuesday, May 19th at 6pm – Hockessin Library, [1023 Valley Rd, Hockessin](#)

Also, please see attached for code and police reports. If there are any questions, feel free to email me or have your community members reach out to me directly. For the folks who need more details on the data centers and the corresponding legislation, send it to me and I can get the Councilman to respond.

Lastly, if you would please send me any volunteers for the data center working group from yours and any surrounding communities that will be affected, I would greatly appreciate it. Thank you again, and it was a pleasure speaking with you and your community tonight. Have a great weekend!

Sincerely,

Michael Rodriguez
