## *From the President's Pen...*

Greetings Fellow Basketweavers,

How many baskets can 12 TBG members weave in 5 hours? After our Life Net basket weave in on November 17<sup>th</sup> we know that the answer is 33!!

We had a great time sharing tips and catching up. Of course the food wasn't so bad either!! We do have some great cooks!

Door prizes were given out every half hour. Then a second door prize every half hour for those who completed a basket. Lots of loot!

Thank you all for your participation in the project. TBG has supplied Life Net with 300 baskets since taking on the project in late January and actually handing out the first kits in March.

Life Net informed me late last week that they have accepted our proposal to weave 350 baskets for them in 2008 which was voted in at the November 11<sup>th</sup> General Meeting.

As always the Holiday Party at Billie's home was well attended and we had fun! Good food, good friends and good gifts! Thank you to everyone that attended and brought all the goodies to eat and thank you Billie for opening your home to us.

It can be a crazy and overwhelming holiday, hope you were able to sneak in a little time just for you. And a little weaving.

See you at Guilders Weave.

Weave with a smile! Jamie

**Convention Reminders:**

Vendor purchases: remember to keep a list of the materials you have at home, this way when you get to the vendor table you will not purchase materials you have sitting on your shelf at home.

Raffle: You know all those address labels you have sitting in that drawer in your desk? Well, bring them to stick on the back of your raffle ticket, this way you don't have to write your name on EACH ticket.

Clothing: How to dress, that is always the question. Dress in layers. Layers is always the best, with all these people in one room, it's hard to keep it cool for some and warm for others, with layers, take off that sweatshirt and put it back on if needed. Being comfortable makes the weaving experience so much better

Hope you all have a wonderful convention. Make it a great experience and enjoy every minute!

**Notes from Diane.....**

Can you believe that **Winter is here** and more new and exciting classes and baskets to experience?

The November 11, meeting was full with everyone wanting to make a cute little Snowman. It was interesting how each one was a little different. Thin ones, Fat ones, and even Bell shaped Snowman.

Then on November 17, twelve spirited souls came together to weave the Life Net baskets and enjoy a great day of food, fun, door prizes, conversation and lots of laughs. **SORRY** you missed the fun and the DOOR PRIZES. Maybe we will try it again as the group made a total of 33 baskets that day.

Next was the **Holiday party** at Billie's on Sunday **Dec. 2nd**. We had lots of members, lots of food and lots of fun. Thank you Billie for opening up your house to us each year!

**January 6<sup>th</sup> 2008** at 2:00 pm is our last meeting before Guilder's Weave but I understand our committee has got their act together and we will not be stuffing bags. SO we decided to come up with a little basket pin to make up for the wintertime. Come see what it involved, plus our speaker will give us some ideas on what it takes to getting ready for a craft show.

**Guilders Weave Jan 17-20 and must attend is how we feel.**

**February 3<sup>rd</sup>**, is the **Show and Tell** of baskets made a GW.

Then later in **Feb.** we will have a class offering a Judith Saunders creation on **Sat. 23<sup>rd</sup>**. Sign ups will be taken at the January Meeting. Twelve spaces are available.

**March 2<sup>nd</sup> meeting Kim Voska** will have a Spring Basket to share with us.

Followed by the **NCBA convention March 13-16.**

**AND IT JUST KEEPS GOING ON AND ON.....**

**RECAPING:**

**December 2<sup>nd</sup>: Holiday Party, Billie's House, Gift and Food**

January 6<sup>th</sup>: Speaker and Winter Basket Pin

January 17-20th : Guilders Weave

February 3<sup>rd</sup>: show and Tell, GW

February 23<sup>rd</sup>, Sat. Judith Saunders

March 2<sup>nd</sup>: Spring Basket, Kim Voska

**A Sad Note:**

Fellow basket weaver, Lewis Megginson, died suddenly December 20th. He and his wife, Carolyn from Suffolk were both members of TBG up until about 4 years ago. They participated in many craft shows and bazaars selling their baskets. Lewis had knee replacement surgery recently and died suddenly 12/20. The family thinks it make have been a blood clot. Please remember Carolyn in your prayers.

## Guilders Weave Committee 08- Where are we.....

We are down to the wire on this one. GW is just about 3 weeks away, are you ready? The GW committee is hard at work making name tags, signs, filling bags and finishing those last minute details to make your convention a success

Have you volunteered a few minutes of your time for GW? If not email guildersweave @tidewaterbasketryguild.org immediately and let us know when you are available and we will see where we need you.

**Something I would like everyone to know.** I love being part of the Guild. While I don't have the opportunities to weave as often as I would like it is truly relaxing! **Best thing about weaving?** The feeling of accomplishing something beautiful and useful. All the wonderful women I have met. Just a great group.

**Perfect day off?** I guess a day that I can spend doing whatever I want and spending time with my family. Of course a day spent with my crazy friends is a good way to spend a day off too, we do laugh a lot.

**Something you would like us to know?** I can't think of anything that you'll would like to know. Well, I have traveled to Italy and Sicily while my daughter lived there and fell in love with Italy... love to go there once a year if I could.
