

REGISTRATION POLICY AND PROCEDURES

1. Affiliated guild members register first; non-members register during open registration. (see #7) Registrants must be at least 18 years old.
2. We accept NO oral registrations, class requests or cancellations. Everything must be in writing. All change requests must go through the Guilders' Weave chairman.
3. You must use the registration form provided. ONE registration per envelope only.
4. Get your registration in on time, attendance is limited.
5. The registration fee includes lunch on Friday and Saturday, the banquet on Saturday evening, classroom space rental and all other event activities.
6. Choose the classes you want for each day, in order of preference. Select only those classes you are willing to take. You are responsible for paying for all classes to which you are assigned. List several classes for each day. The more choices, the better your chances. If all your selections are filled, you won't be assigned a class on the day. Select class consistent with your skill level.

SKILL LEVELS: Please be accurate in evaluating your skill level to prevent frustration to yourself, the teacher, and other students in your class. Note the emphasis on "materials being used" in the class descriptions.

Beginner – The beginner weaver has little to no experience and has woven only a few baskets. They need practice with basic weaving techniques, bases, and shaping.

Beginner/Intermediate – Having gained basic weaving skills, this skill level introduces new pattern weaves such as twill and different rim and lashing finish variations.

Intermediate – Intermediate weavers have gained proficiency in weaving techniques. They can begin with ease and little instruction and have mastered basic weaving techniques. They do not need direction for setting up bases, twining, completing over/under weaves, or creating rims using the specific materials mentioned in the class description.

Intermediate/Advanced – This weaver has tried almost every weaving technique and are confident in all areas. They are ready to try something a little more difficult but still need guidance.

Advanced – Advanced weavers are proficient. They have mastered most weaving techniques and are ready to be challenged. Teachers are confident these students will not need assistance with basic weaving skills. Advanced weavers often design their own baskets and are quite experienced in most techniques

All levels -- classes are offered to students of all skill levels from Beginner to Advanced.

7. Member Registration: Affiliated guild members' (dues must be current) registration forms must be postmarked between September 3rd and 15th. You must list your guild affiliation. These forms will be processed, and classes assigned beginning with the postmark date of Sept. 3rd. Applications with an early postmark will be held until Sept. 16th. Notification will be mailed as soon as class assignments are completed. If you miss the member registration period, you may still register through Sept. 26th (open registration).

Open Registration—Non-members should mail registration forms between Sept. 16th and 26th ONLY. These forms will be processed, and classes assigned based on the postmark. Notification will be mailed as soon as class assignments are completed. If all classes are filled, registrants will be placed on a waiting list and notified as vacancies occur.

8. Cancellations & Refunds: All change requests must go through the GW Chairman. Registration cancellations (see #2) received prior to November 26th will be entitled to a refund, less a \$20 processing fee. No refunds will be issued after that date. Please note that individual teachers determine how to handle their class fees for cancellations. Hotel cancellations must be communicated directly through the hotel. Determination to cancel the event will ONLY be made by the chairperson, entirely at their discretion. If this occurs, the information will be posted on TBG's website by 6:00 p.m., Wednesday, January 15th and one contact from each guild will be notified. The individual guilds are then responsible for communicating that information to their members. Non-guild registrants must access the website to keep informed.
