Our Mission

We provide leadership, programs and services that assist, support and empower children, adults and families to achieve lifelong success, leading to strong and caring citizens and communities.

Our Vision

We contribute to and participate in communities that are caring, self-reliant, safe and stable; that offer opportunities to participate in and benefit from social, economic, cultural and recreational activities, and that provide for basic needs.

SIGN has served the needs of Yorkton and area residents since 1969.

The work of SIGN is possible through donations from community-minded businesses, residents, churches, clubs and organizations, as well as fees for services received from various levels of government and government agencies.

We thank all who support the work of SIGN through their participation and funding.
